In A Mindful Nation, Congressman Tim Ryan—an all-American guy from the heartland who is also a thoughtful, committed leader—takes this story about the benefits of mindfulness to the next level. He connects the dots between what's happening with mindfulness in the classrooms, hospitals, boardrooms, research labs, and army bases across the country by sharing his interactions with experts in education, defense, health care, criminal justice, and the environment.

### ~~A Mindful Nation: How a Simple Practice Can Help Us Reduce~~

How mindfulness helps mental wellbeing. Becoming more aware of the present moment can help us enjoy the world around us more and understand ourselves better. When we become more aware of the present moment, we begin to experience afresh things that we have been taking for granted. "Mindfulness also allows us to become more aware of the stream of thoughts and feelings that we experience," says Professor Williams, "and to see how we can become entangled in that stream in ways that are not helpful.
