Albion. ancient name of England, attested in Old English, from Latin, sometimes said to be from the non-Indo-European base \*alb "mountain," which also is suggested as the source of Latin Alpes "Alps," Albania, and Alba, an Irish name for "Scotland." But more likely from Latin albus "white" (see alb ), which would be an apt description of the

Imagination by Peter ... Peter Ackroyd

Albion is an alternative name for the island of Great Britain. It is sometimes used poetically to refer to the island, but has fallen out of common use in English. The name for Scotland in most of the Celtic languages is related to Albion: Alba in Scottish Gaelic, Albain (genitive Alban) in Irish, Nalbin in

projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British

# Bookmark File PDF Albion The Origins Of English

ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have

voices of the past to speak directly to the modern reader. The result is a lively, up-to-date, and comprehensive overview of Britain's long eighteenth century. It will remain a standard text on the subject for many years to come.

The first volume in a cultural history of

# Bookmark File PDF Albion The Origins Of English

America examines the different lives and customs of the first groups of immigrants to America and assesses the importance of those traditions for contemporary American life.

The dark ages of English history between the collapse of Roman rule in the early fifth

# Bookmark File PDF Albion The Origins Of English

century and the emergence of the Anglo-Saxon kingdoms in the seventh century are examined in this study, which draws attention to political and social factors linking Roman Britain to Anglo-Saxon England.

England's seventeenth-century colonial

# Bookmark File PDF Albion The Origins Of English

empire in North America and the Caribbean was created by migration. The quickening pace of this essential migration is captured in the London port register of 1635, the largest extant port register for any single year in the colonial period and unique in its record of migration to America and to the European continent. Alison Games analyzes the 7,500
