Antic Hay is a comic novel by Aldous Huxley, published in 1923. The story takes place in London, and depicts the aimless or self-absorbed cultural elite in the sad and turbulent times following the end of World War I. The book follows the lives of a diverse cast of characters in bohemian, artistic and intellectual circles.

Antic Hay - Wikipedia

Antic Hay, novel by Aldous Huxley, published in 1923. A satire of post-World War I London intellectuals, the work follows Theodore Gumbriel, Jr., the protagonist, and his bohemian friends as they drift aimlessly through their lives in search of happiness. Huxley's witty and allusive narrative style provides a strong counterpoint to his nihilistic vision of humanity.

For them, life has become boring, futile, full of ennui. So we get the 'Antic Hay', the dance of profane love, but with the wood-wild strains of Pan broken up into the hesitating rhythms demanded by the fever of modern life. Huxley has a fine sensibility and his wit and fresh vision lend Antic Hay a crystalline quality, Guardian
