All My Life: A Memoir, by Susan Lucci, is wonderfully written..I gave it a 5 Star Review. One of the best bio's I've ever read w/one exception: Bill Clinton's Life As A President ....(also loved that) We get to know Susan Lucci as a warm real life person, not anything like Erica Kane. Kudos to Susan for sharing her life's ups and downs w/her fans!

His mother, the late Estée Lauder, touched upon her life as a beauty entrepreneur in her 1986 memoir Estée: A Success Story. Now, it's her son's turn to tell all in The Company I Keep: My ...

"See that moon up there? You can reach that high. Never be afraid because you can be anything you want to be." Susan Lucci was only five years old when her father shared these encouraging words with her. They inspired the highly imaginative child who loved make-believe to craft one of the most enduring characters in television history, an achievement that would earn her a record twenty-one Emmy nominations—the most for an actor in the award's history—and the crown as "Leading Lady of Daytime." When Lucci and All My Children were introduced to the world in 1971, American television changed forever. Susan's character, the beautiful, spirited, and mercurial Erica Kane, was an original—the first vixen viewers loved to hate. But while millions have enjoyed getting to know Erica's many sides—and have been awed at how this character has continually remade herself—the woman who plays her has remained a mystery. In her long-awaited memoir, this very private actress, wife, mother, daughter, grandmother, sister, friend, and entrepreneur pulls back the curtain to reveal her story. Susan, like Erica Kane, has undergone a metamorphosis many times. All My Life shares the stories of those transformations: starring in roles on television and stage, where she took Broadway not just by storm but "by tsunami" as one critic raved about her performance in Annie Get Your Gun; mounting successful cabaret acts (solo and with Regis Philbin); bringing art and joy back to New York in the wake of 9/11; conquering the tango with Tony Danza on ABC's hit show Dancing with the Stars; and building a successful career as an entrepreneur with a signature line of products. Susan goes beyond her success to talk about the darker moments, too, including the childhood guilt she harbored over the death of her dear grandmother, the car accident that nearly took away her career and her eyesight, her newborn son's life-threatening illness, coping with her husband's cancer, and the pain of miscarriage—one of the many parallels between her Erica Kane. As charming, down-to-earth, and compelling as the woman whose story it tells, All My Life shines a spotlight on one of our most popular

stars and reminds us of the power of dreams and how we can find the courage and tenacity to make them come true.

All But My Life is the unforgettable story of Gerda Weissmann Klein's six-year ordeal as a victim of Nazi cruelty. From her comfortable home in Bielitz (present-day Bielsko) in Poland to her miraculous survival and her liberation by American troops--including the man who was to become her husband--in Volary, Czechoslovakia, in 1945, Gerda takes the reader on a terrifying journey. Gerda's serene and idyllic childhood is shattered when Nazis march into Poland on September 3, 1939. Although the Weissmanns were permitted to live for a while in the basement of their home, they were eventually separated and sent to German labor camps. Over the next few years Gerda experienced the slow, inexorable stripping away of "all but her life." By the end of the war she had lost her parents, brother, home, possessions, and community; even the dear friends she made in the labor camps, with whom she had shared so many hardships, were dead. Despite her horrifying experiences, Klein conveys great strength of spirit and faith in humanity. In the darkness of the camps, Gerda and her young friends manage to create a community of friendship and love. Although stripped of the essence of life, they were able to survive the barbarity of their captors. Gerda's beautifully written story gives an invaluable message to everyone. It introduces them to last century's terrible history of devastation and prejudice, yet offers them hope that the effects of hatred can be overcome.

"Music is a world within itself, with a language we all understand." --Stevie Wonder, "Sir Duke" In 2003, young professor Ferentz LaFargue traveled to Paris, where his fiancée, Tricia, declared she wasn't happy with their relationship, ending what he thought was a wonderful engagement. After days of "crying"--"that sorrow-laden blend of crying and praying delivered in perfect pitch by those in mourning"--Ferentz happened upon Stevie Wonder's 1976 classic double album Songs in the Key of Life. Listening to it anew was a healing, spiritual trip down memory lane, helping him to come to terms with his breakup and reflect on how songs in general have been linked to his life. In this book, Ferentz invites us to get cozy and listen as he hits PLAY on meaningful tracks from Wonder and others, including Lauryn Hill, Wyclef Jean, LL Cool J, Beenie Man, Sheryl Crow, Roberta Flack, Donny Hathaway, and Black Sabbath. He recalls: How the fusion of rock and rap in the breakthrough Run-D.M.C./Aerosmith video "Walk This Way" helped to change an adolescent Ferentz from outcast to authority figure How Michael Jackson's Thriller brought back a traumatic childhood experience How Kanye West's "Jesus Walks" speaks to the tension between his Christian beliefs and his need to rip it up in clubs as a hip-hop head In the tradition of Nick Hornby's Songbook, these words paint a portrait of a life framed by sounds, allowing all of us to think about what songs have been key in our own

lives.

When Susan Lucci and All My Children were introduced to the world in 1970, American television changed forever. Susan's character, the beautiful, spirited, and mercurial Erica Kane, was an original—the first vixen viewers loved to hate. But while millions have enjoyed getting to know Erica's many sides, the woman who played her has remained a mystery. In her long-awaited memoir, this very private actress, wife, mother, daughter, grandmother, sister, friend, and entrepreneur pulls back the curtain to reveal her story. As charming, down-to-earth, and compelling as the woman whose story it tells, All My Life shines a spotlight on one of our most popular stars and reminds us of the power of dreams and how we can find the courage and tenacity to make them come true. This edition contains a new chapter about the landmark final season of All My Children.

With the discipline of a surgeon performing a critical operation, acclaimed storyteller Harry Mark Petrakis strips away layers of his nine decades of life to expose the blood and bone of a human being in his third memoir and twenty-fifth book, Song of My Life. Petrakis is unsparing in exposing his own flaws, from a youthful gambling addiction, to the enormous lie of his military draft, to a midlife suicidal depression. Yet he is compassionate in depicting the foibles of others around him. Petrakis writes with love about his parents and five siblings, with nostalgia as he describes the Greek neighborhoods and cramped Chicago apartments of his childhood, and with deep affection for his wife and sons as he recalls with candor, comedy, and charity a writer's long, fully-lived life. Petrakis recounts the near-fatal childhood illness, which confined him to bed for two years and, through hours of reading during the day and night, nurtured his imagination and compulsion toward storytelling. A high school dropout, Petrakis also recalls his work journey in the steel mills, railroad depots, and shabby diners of the city. There is farce and comedy in the pages as he describes the intricate framework of lies that drove his courtship of Diana, who has been his wife of sixty-nine loving years. Petrakis shares his struggles for over a decade to write and publish and finally, poignantly describes the matchless instant when he holds his first published book in his hands. The chapters on his experiences in Hollywood where he had gone to write the screenplay of his best-selling novel A Dream of Kings are as revealing of the machinations and egos of moviemaking as any Oliver Stone documentary. Petrakis's individual story, as fraught with drama and revelation as the adventures of Odysseus, comes to an elegiac conclusion when, at the age of ninety, he ruminates on his life and its approaching end. With a profound and searing honesty, this self-exploration of a solitary writer's life helps us understand our own existences and the tapestry of lives connecting us together in our shared human journey.

This is the first book by a founding member of Little River Band: the

first Australian band to achieve a gold album in the US. 'Every Day of My Life' tells the remarkable tale of how Beeb Birtles, David Briggs, Graeham Goble, George McArdle, Derek Pellicci and Glenn Shorrock conquered the world - and then lost their band. The book also documents how a young Dutch boy named Gerard Bertelkamp arrived in Adelaide, unable to speak English, and ended up in not one but two major bands: Zoot (with Darryl Cotton and Rick Springfield) and Little River Band (with Glenn Shorrock and later John Farnham). As the title suggests, Every Day of My Life is an intensely personal journey. Beeb Birtles might have lost his band but he discovered many other things along the way. LRB's hits include 'Reminiscing', 'Help Is On Its Way', 'Lonesome Loser', 'The Night Owls', 'It's a Long Way There', 'Cool Change', 'Happy Anniversary', 'Lady', 'Curiosity (Killed the Cat)', 'Witchery', and 'Every Day of My Life'. Due to a bizarre copyright case, Beeb Birtles can no longer make music as Little River Band. But he can tell their incredible story - and his own incredible story.

Sometimes with a lot of hard work and determination-and a little luck-fairy tales do come true. An orphan from the age of three who traded abuse at the orphanage for the dangers of life on the street at five years old, Sungbong Choi refused to be bound by the circumstance of his youth. During his ten years on the streets of one of South Korea's largest cities, Choi falls victim to gangs, drugs, and was abused by adults for their own survival. Instead of succumbing to negative influences, he takes every small opportunity and act of kindness provided to him, to turn his life around. After a chance encounter with an opera singer, Choi finds a vocal teacher willing to give him free lessons. His natural talent and determination pay off when he competes on the television program Korea's Got Talent...and shows both his country and the world how gifted he truly is. This captivating true story is sure to inspire readers of all ages and cultural backgrounds.

NEW YORK TIMES BESTSELLER • Gloria Steinem—writer, activist, organizer, and inspiring leader—tells a story she has never told before, a candid account of her life as a traveler, a listener, and a catalyst for change. ONE OF O: THE OPRAH MAGAZINE'S TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper's Bazaar • St. Louis Post-Dispatch • Publishers Weekly When people ask me why I still have hope and energy after all these years, I always say: Because I travel. Taking to the road—by which I mean letting the road take you—changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories—in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living. The seeds were planted: Gloria realized that

growing up didn't have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. My Life on the Road is the moving, funny, and profound story of Gloria's growth and also the growth of a revolutionary movement for equality—and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of Ms. magazine; from the historic 1977 National Women's Conference to her travels through Indian Country—a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and “on the road” state of mind can make a difference in how we learn, what we do, and how we understand each other. Praise for My Life on the Road “This legendary feminist makes a compelling case for traveling as listening: a way of letting strangers' stories flow, as she puts it, ‘out of our heads and into our hearts.’”—People “Like Steinem herself, [My Life on the Road] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her.”—O: The Oprah Magazine “A lyrical meditation on restlessness and the quest for equity . . . Part of the appeal of My Life is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . The lessons imparted in Life on the Road offer more than a reminiscence. They are a beacon of hope for the future.”—USA Today “A warmly companionable look back at nearly five decades as itinerant feminist organizer and standard-bearer. If you've ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights.”—The New York Times “Steinem rocks. My Life on the Road abounds with fresh insights and is as populist as can be.”—The Boston Globe

Mickey Mantle's wife and sons chronicle the life and times of the great baseball hero, offering a personal and candid portrait of his career, the effects of fame on the family, his alcoholism and infidelities, and his final battle with cancer. 100,000 first printing. \$85,000 ad/promo. Tour.
