Coldspring, TX, there is one Alpha who cannot overlook the significance of this. An Alpha who happens to share Jacque's DNA, but is this the one she needs to fear? With her mom driving and her two best friends, Jen and Sally in tow, Jacque set off for her happily ever after. She will soon realize a plan has been put in motion

that will change her course and possibly tear her from Fane's grasp forever. It will take a wolf pack, her mother's love, her two best friend's unrelenting determination, her own will to survive and the undying love of her mate to bring her home. The question remains, if she fights, if she endures, who will she be, what will

In this novel in the #1 New York Times bestselling Dresden Files, Chicago's only professional wizard takes on a case for a vampire and becomes the prime suspect in a series of ghastly murders. Harry Dresden

has had worse assignments than going undercover on the set of an adult film. Like fleeing a burning building full of enraged demon-monkeys, for instance. Or going toe-to-leaf with a walking plant monster. Still, there's something more troubling than usual about his newest case. The film's producer believes he's the

target of a sinister curse—but it's the women around him who are dying, in increasingly spectacular ways. Harry's doubly frustrated because he only got involved with this bizarre mystery as a favor to Thomas—his flirtatious, self-absorbed vampire acquaintance of dubious integrity. Thomas has a personal stake in

the case Harry can't quite figure out, until his investigation leads him straight to the vampire's oversexed, bite-happy family. Now, Harry's about to discover that Thomas's family tree has been hiding a shocking secret: a revelation that will change Harry's life forever.

Jaque Pierce was an ordinary 17-year-old girl getting ready to start her senior year in high school in Coldspring, TX when a mysterious foreign exchange student from Romania moves in across the street.

Jacque and her two best friends Sally and Jen don't realize the last two weeks of their summer are going to get a lot more

# Get Free Blood Rites Quinn Loftin

interesting. From the moment Jacque sets eyes on Fane, she feels an instant connection, a pull like a moth to a flame. Little does she know that the flame she is drawn too is actually a Canis Lupus, werewolf, and she just happens to be his mate, the other half of his soul. The problem is Fane is not the only wolf in

# Get Free Blood Rites Quinn Loftin

Coldspring. Just as Fane and Jacque are getting to know each other, another wolf steps out to try and claim Jacque as his mate. Fane will now have to fight for the right to complete the mating bond, something that is his right by birth but is being denied him by a crazed Alpha. Will the love Fane has for Jacque be enough to

# Get Free Blood Rites Quinn Loftin

give him the strength to defeat his enemy and will Jacque accept she is Fane's mate and complete the bond between them?

He is mine and I am his. I will move every obstacle in my way to remind him.

Decebel Anghelescu is one of the strongest Canis lupus on earth, an alpha in

# Get Free Blood Rites Quinn Loftin

his own right. Now that he's found his mate, the fiesty blonde, Jennifer Adams, he could be stronger still, a powerful asset to the Romanian Greys. But he's been crippled by a devastating curse, one cast by an unknown enemy, a witch of incredible power. The spell threatens to dissolve the fragile new bond with the

# Get Free Blood Rites Quinn Loftin

woman that is the other half of his soul. It will take the help of an entire pack to break it, but has too much damage already been done? Meanwhile, injured and alone, Jennifer fights for her life, and it appears to be a losing battle. Now, she has come to terms with her fate, accepting she won't share a life with Decebel...and what a life

# Get Free Blood Rites Quinn Loftin

it would have been. But help comes in the most unexpected form...the discovery of a long-lost healer. The Romanian alpha, Vasile Lupei, will have to use all his resources — including Sally Morgan, the new gypsy healer of the Romanian pack — to battle the witch, lift the curse from Decebel and reunite him with his mate,

# Get Free Blood Rites Quinn Loftin

and solve a mystery that's been surrounding the Romanian pack for 300 years.

Jennifer Adams, best friend to Jacque Pierce and Sally Morgan, spicy, outspoken, a little crazy and human...or so she thought. Jen has just found out that human

DNA is not the only thing that resides in her veins, she happens to share that little pesky werewolf gene, although it isn't more than just a drop. Now that she and her friends are living in Romania with Fane's pack, she is also oh so conveniently stuck with the object of her affection, the fur ball Decebel. Drawn to each other by

# Get Free Blood Rites Quinn Loftin

something they don't understand Jen finds herself frustrated by the lack of mating signs between her and said fur ball. Not only is she dealing with that not so unfrustrating problem, she now has been informed that because of that little drop of werewolf blood in her she is now required to attend a multi-pack gathering for un-

mated wolves. This type of gathering hasn't taken place in over a century but with a shortage of females among the werewolf population the males are getting worried they won't ever find their true mates. Meanwhile, Decebel struggles with the emotions he is feeling towards Jen. He tries to keep his distance but there is just

# Get Free Blood Rites Quinn Loftin

something about the mouthy blonde that keeps him coming back for more of her verbal abuse that he just can't seem to get enough of...go figure.

Darkness has descended on the Transylvanian Alps. Four packs of the powerful Grey wolves in a rare show of

# Get Free Blood Rites Quinn Loftin

cooperation had joined together here in an effort to help their pack members find true mates. Then they were betrayed by one of their own an Alpha hell-bent on becoming the most powerful of the Canis lupis. And though the wolf's assassination attempt on the currently-reigning Romanian Alpha failed, his plans to get Decebel, the

# Get Free Blood Rites Quinn Loftin

Romanian Beta, out of the picture were coming together even as his treachery was discovered. The wolf fled, leaving destruction, death, and a missing mate behind him. Unbeknownst to the other packs, the wolf has employed a witch to finish the deadly job and help him gain another tool to increase his power.

Begin the award-winning Grey Wolves Series with the first three books: Prince of Wolves, Blood Rites, and Just one Drop. The Grey Wolves Series follows the adventures of three high school seniors, Jacque, Jen, and Sally, as the girls are introduced to the hidden world of the

# Get Free Blood Rites Quinn Loftin

Romanian grey wolves. The grey wolves' universe is populated with dominant Alpha male werewolves who slowly succumb to the darkness within them unless they find their true mates. It just so happens these three ladies are destined to become true mates to some of the most powerful males in the Canis lupus world.

# Get Free Blood Rites Quinn Loftin

But destiny won't be fulfilled without a fight. Female Canis lupus are few and far between, and sinister dominant wolves will rise to challenge for the right to mate with these new, unique females. The ensuing chaos will undermine the strength of the packs, just when a new threat to the Canis lupus world emerges, one that can

only be defeated by the strength that comes from the special union of true mates.

The last few days have been the darkest of Sally's life. After experiencing the joy of finding her mate, she now suffers the pain of losing everything she holds dear. Both

# Get Free Blood Rites Quinn Loftin

the Romanian and Serbian packs have been captured, ripping Sally's soul mate away from her almost as soon as she had found him. Her best friend and the emotional glue that usually holds Sally together, Jacque Pierce, lies writhing in a restless coma, having been put down by Desdemona's dark magic. Jennifer Adams,

# Get Free Blood Rites Quinn Loftin

the unshakable one, has revealed to her friends and her mate that she is pregnant, but the Fates have marked her unborn baby for death. Though she rails against the darkness, deep inside Jen knows that Decebel's baby must die as payment for her own life, and the knowledge is tearing her soul to pieces.

Jacque's mind wandered as she hovered somewhere between life and death. Her body longed to let go, to sink into the peaceful abyss, to the place where she didn't have to worry about rabid, child-snatching vampires and the carnage they'd caused to so many innocent families. But

# Get Free Blood Rites Quinn Loftin

something kept her here, tethered to this world, something she couldn't quite remember hovered just on the edge of her consciousness, something vital. It wasn't Fane, he would be with her on the other side, she knew that. If she died, he died too and he wouldn't have it any other way. She could feel Peri's presence in her body.

# Get Free Blood Rites Quinn Loftin

The fae was fighting, expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae. But why? Why was the fae fighting as if her own life depended upon Jacque's survival? Jacque was starting to remember someone else—someone that depended on her. A brand new life,

# Get Free Blood Rites Quinn Loftin

precious and perfect...her son. Costin's best friend lay as if sleeping, clinging to life by a mere thread, held at the other end by the powerful fae. But the thread holding Costin to his own sanity was just as feeble. Sally, his world, his light, his brown-eyes, the only thing that keeps the darkness at bay, was gone. Simply

# Get Free Blood Rites Quinn Loftin

vanished. Costin didn't know how or where, and it was tearing him up inside. The young boy, Titus, his adopted son, was the only thing that kept his wolf from taking over completely. Costin would be strong for the boy for as long as he could, but he wasn't sure how long he could keep the feral wolf at bay. Bethany, the brave

# Get Free Blood Rites Quinn Loftin

young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years, was now sharing a room with her true mate, with absolutely no understanding of what that meant. Though the girl had proven to be resilient, she had no idea how to handle her the huge

# Get Free Blood Rites Quinn Loftin

dominating werewolf that had staked his claim on her. Drake was past the point of feral when he'd found her, and that kind of darkness doesn't let go without a fight.

The strongest of alpha females, raised with a full understanding of pack law and the power of the mate bond, would have had a tough time dealing with the wolf. Bethany,

# Get Free Blood Rites Quinn Loftin

a dormant, who had no idea who or what she was, didn't stand a chance.

Jaque Pierce was just an ordinary 17 year old girl getting ready to start her senior year in highschool in Coldspring, TX.
