ASK . . . Manual

The Bose SoundLink Color II is an excellent all-rounder for a bluetooth speaker. Some of its competitors such as Sony and JBL may each produce models which could be cheaper, or have a longer-lasting battery length, but this gadget combines everything you expect and are looking for more than just a cheap model, then this is right up your street.

Efficient next day delivery.
The Bose Soundlink Color II
has the typical bass rich
Bose sound that I like. This
won't be to everyone's
taste. The set up with the
App is a little irritating
since the speaker beeps at
you until it's all
connected. Otherwise the App
is okay although it needs
refinement.
