An investigation into two deaths at Chedrow Castle by former MI5 agent and Anglican priest Max Tudor is complicated by his growing attraction to Awena Owen and the arrival of a raucous group of greedy relatives. By the author of *Wicked Autumn*. 30,000 first printing.

This book describes the implementation of green IT in various human and industrial domains. Consisting of four sections:

“ Development and Optimization of Green IT ” , “ Modelling and Experiments with Green IT Systems ” , “ Industry and Transport Green IT Systems ” , “ Social, Educational and Business Aspects of Green IT ” , it presents results in two areas – the

systems and infrastructures; and the industry, business, social and education domains. It discusses hot topics such as programmable embedded and mobile systems, sustainable software and data centers, Internet servicing and cyber social computing, assurance cases and lightweight cryptography in context of green IT.

Intended for university students, lecturers and researchers who are interested in power saving and sustainable computing, the book also appeals to engineers and managers of companies that develop and implement energy efficient IT applications.

“ Hilarious and inspiring, Anner has made a life filled with fans, love, and Internet fame—reminding us that disability is no match for dreams. ” —People (Book of the Week) “ Zach Anner is way more than an inspirational figure for anyone who has ever

felt impossibly different: he ' s also a great f**king writer. ” —Lena Dunham

Comedian Zach Anner opens his frank and devilishly funny book, *If at Birth You Don't Succeed*, with an admission: he botched his own birth. Two months early, underweight and under-prepared for life, he entered the world with cerebral palsy and an uncertain future. So how did this hairless mole-rat of a boy blossom into a viral internet sensation who's hosted two travel shows, impressed Oprah, driven the Mars Rover, and inspired a John Mayer song? (It wasn't "Your Body is a Wonderland.") Zach lives by the mantra: when life gives you wheelchair, make lemonade. Whether recounting a valiant childhood attempt to woo Cindy Crawford, encounters with zealous faith healers, or the time he crapped his pants mere feet from Dr. Phil, Zach shares his fumbles with unflinching honesty and characteristic charm. By his thirtieth birthday, Zach had

grown into an adult with a career in entertainment, millions of fans, a loving family, and friends who would literally carry him up mountains. If at Birth You Don't Succeed is a hilariously irreverent and heartfelt memoir about finding your passion and your path even when it's paved with epic misadventure. This is the unlikely but not unlucky story of a man who couldn't safely open a bag of Skittles, but still became a fitness guru with fans around the world. You'll laugh, you'll cry, you'll fall in love with the Olive Garden all over again, and learn why cerebral palsy is, definitively, "the sexiest of the palsies." Praise for Zach Anner

“ Cerebral palsy couldn't stop Anner from becoming a celeb, traveling the world, and Friending Oprah (for starters). ” —Cosmopolitan “ Zach makes you want to be a better person, with his humor and his heart and everything he's had to deal with from the time he was born. I've

never met anyone like him, and I've met a lot of people. ” —Oprah Winfrey “ A laugh-a-minute read.... If At Birth You Don ’ t Succeed recounts his journey from being what he calls a “ crappy baby ” [with cerebral palsy to] the host of his own travel show and an improbable workout guru. If there was ever a book that showed the importance of laughing at yourself, this is probably it. ” —MentalFloss (#1 A Best New Book for Spring) “ Zach Anner is a truly inspiring and hysterical human being with a warped sense of humor (and body). He ’ s also an exceptional writer and his memoir is an absolute joy. ” —Rainn Wilson “ A characteristically hilarious and candid book about growing up with cerebral palsy, winning a reality TV contest with Oprah ’ s OWN channel and becoming an unlikely-yet-inspiring fitness guru and YouTube celebrity with more than 10 million views. ” —What ’ s Trending

“ Zach Anner is the living definition of ‘ giving better than he ’ s gotten. ’ Life dealt him a difficult hand but he managed to beat the house with humor, heart, and a fearless punk attitude. Required reading. ” —Patton Oswalt “ I love Zach Anner and I love his memoir. If everyone were a little more like Zach, the world may not be a better place, but it would be funnier place, which is a great step forward. ” —Reddit Co-founder Alexis Ohanian “ He ’ s a unique, creative kid with a smart, edgy sense of humor. ” —Arsenio Hall “ I think I speak for everybody when I say...I want to see more of Zach. ” —John Mayer “ Wonderful. . . Anner ’ s comedy is the peppy, uplifting sort you ’ d expect from someone who Oprah says ‘ makes [her] want to be a better person, ’ such as his elaborate Olive Garden metaphors for the nature of life. . . . Anner remarks wryly that

being expected to act as an ambassador for the disabled ‘ is a tightrope walk, which is hard on four wheels. ’ Maybe so, but with this book, he makes it look easy. ” —Publishers Weekly (starred review) “ Funny, empowering...An inspirational memoir with a seasoned, infectious sense of humor...[Anner ’ s book chronicles] his three decades of life (so far) with cerebral palsy, a permanent condition that hasn ’ t prevented him from living his dream as a comic, a media sensation, and a motivational speaker. ” —Kirkus Reviews

KEY BENEFIT: With its real-life examples and cases, and its lively, conversational writing style, Bovee/Thill/Mescon brings concepts to life and prepares students for obtaining and pursuing satisfying business careers. **KEY TOPICS:** Bovee/Thill/Mescon

weaves a four-part pedagogical tool through out each chapter. It starts with Orient, which outlines what is going to be covered in the chapter and then connects these topics with a “ role-model ” business professional. Next is Explore, which looks at the skills that their “ role-model ” used in order to be successful. Third is Confirm, which revisits what they have learned in the chapter. And, finally, Apply allows students to use the skills they have learned in the chapter. MARKET: For introductory level business students.

Competing with your gundog is great fun, but many owners are unaware of the many year-round training and competitive opportunities in which they can be involved. Many also think that the skills required are above them, and that such events are available only to the very experienced amateur or the gundog professional, but this is far from the truth. This guide is aimed at the beginner and the less experienced handler and provides detailed descriptions of all aspects of trials and tests. It covers field trials and working tests; spring and grouse pointing; the show gundog working certificate; retrievers, spaniels, pointers, and
