The Modern World History, Patterns of Interaction met my expectations and more. I am completely pleased with the entire transaction, the book itself was in better condition than I had expected and it arrived quite promptly. It is a relief to simply not have to deal with a bad experience. This was a completely positive one.

of the past as told by those who lived them. Both a textbook and a source reader, *Conversations of Modern World History* provides the historical and biographical contexts needed to understand and thoughtfully react to the conversation of history. A diverse group of men and women offer their perspective of various moments in history through their speeches, political statements, books, and journals. Each annotated document naturally leads to the next, helping readers understand that historical events were interconnected and that current discussions have roots going back hundreds of years. *Conversations of Modern World History* combines the best of general narrative textbooks, short biographies, and primary source readers to help students see the interconnectedness of humanity past and present. It is an

ideal text for world history survey courses from the 1400s onward. Zachary Wingerd earned his Ph.D. in transatlantic history from the University of Texas, Arlington. He taught at Lon Morris College and the University of Texas, Tyler before joining the faculty at Baylor University. Dr. Wingerd has taught courses in world, American, Atlantic, Texas, and Latin American history, as well as historiography.

Describes the effect of human action on the world's environment.

Since 1750, the world has become ever more connected, with processes of production and destruction no longer limited by land- or water-based modes of transport and communication.

Volume 7 of the Cambridge World History series, divided into two books, offers a variety of angles of vision on the increasingly interconnected history of humankind. The second book questions the extent to which the transformations of the modern world have been shared, focusing on social developments such as urbanization, migration, and changes in family and sexuality; cultural connections through religion, science, music, and sport; ligaments of globalization including rubber, drugs, and the automobile; and moments of particular importance from the Atlantic Revolutions to 1989.
