This book is designed to engage students' interest and promote their writing abilities while teaching them to think critically and creatively. Dowden takes an activist stance on critical thinking, asking students to create and revise arguments rather than simply recognizing and criticizing them. His book emphasizes inductive reasoning and the analysis of individual claims in the beginning, leaving deductive arguments for consideration later in the course.

To tie in to the massive new game CRYISIS 3, coming in February 2013 from EA, Gavin Smith has been signed up to write a selection of connected short stories that will explore and expand the game world. Gavin's futuristic and punchy fiction is a perfect fit for CRYISIS, and this will be a delight for game-players and SF fans alike. With stories covering the fan favourite characters of Prophet, Psycho and Alcatraz, as well as introducing themes, enemies and weapons new to CRYISIS 3, this will be a vital part of the game experience.
