Doctor Who: Fortunes of War: 6th Doctor Audio Original ...

Fortunes of War is the third and – no spoilers, but probably final – part of a story which has taken three Doctors at different times in their lives to solve. As such, if you haven’t heard both of the earlier parts, Men of War and Horrors of War, you’re going to be just a little lost coming into this one. The first two parts were read by former companion actors Peter Purves and Katy Manning, but neither of them were written from the principal point of view of those companions, though ...

Jadwiga Lenartowicz Rylko, known as Jadzia (Yah'-jah), was a young Polish Catholic physician in Łódź at the start of World War II. Suspected of resistance activities, she was arrested in January 1944. For the next fifteen months, she endured three Nazi concentration camps and a forty-two-day death march, spending part of this time working as a prisoner-doctor to Jewish slave laborers. A Polish Doctor in the Nazi Camps follows Jadzia from her childhood and medical training, through her wartime experiences, to her struggles to create a new life in the postwar world. Jadzia’s daughter, anthropologist Barbara Rylko-Bauer, constructs an intimate ethnography that weaves a personal family narrative against a twentieth-century historical backdrop. As Rylko-Bauer travels back in time with her mother, we learn of the particular hardships that female concentration camp prisoners faced. The struggle continued after the war as Jadzia attempted to rebuild her life, first as a refugee doctor in Germany and later as an immigrant to the United States. Like many postwar immigrants, Jadzia had high hopes of making new connections and continuing her career. Unable to surmount personal, economic, and social obstacles to medical licensure, however, she had to settle for work as a nurse's aide. As a contribution to accounts of wartime experiences, Jadzia's story stands out for its sensitivity to the complexities of the Polish memory of war. Built upon both historical research and conversations between mother and daughter, the story combines Jadzia's voice and Rylko-Bauer's own journey of rediscovering her family's past. The result is a powerful narrative about struggle, survival, displacement, and memory, augmenting our understanding of a horrific period in human history and the struggle of Polish immigrants in its aftermath.

"A marvelously full-flavored, engrossing book, which towers over its current rivals in the genre like a three-decker over a ship's longboat." –Times Literary Supplement Captain Jack Aubrey, R. N., arrives in the Dutch East Indies to find himself appointed to the command of the fastest and best-armed frigate in the Navy. He and his friend Stephen Maturin take passage for England in a dispatch vessel. But the War of 1812 breaks out while they are en route. Bloody actions precipitate them both into new and unexpected scenes where Stephen's past activities as a secret agent return on him with a vengeance.

Four Japanese nationalists storm Tokyo's imperial palace and behead the emperor. Their goal: to invade Russia and conquer oil-rich Siberia in order to dominate the globe. Soon the world explodes in war, as Japan, Russia and the United States go head-to-head in a struggle that threatens total destruction. Now three men from three different nations must meet their ultimate challenge: to fight as patriots in a war driven by greed and madness--and save the planet from nothing less than a full-scale nuclear attack. Stephen Coonts' Fortunes of War is an explosive, action-packed thriller.

THE SUNDAY TIMES BESTSELLER What are you afraid of? In his first-ever Doctor Who novel, Tom Baker’s incredible imagination is given free rein. A story so epic it was originally intended for the big screen, Scratchman is a gripping, white-knuckle thriller almost forty years in the making. The Doctor, Harry and Sarah Jane Smith arrive at a remote Scottish island, when their holiday is cut short by the appearance of strange creatures – hideous scarecrows, who are preying on the local population. The islanders are living in fear, and the Doctor vows to save them all. But it doesn’t go to plan – the time travellers have fallen into a trap, and Scratchman is coming for them. With the fate of the universe hanging in the balance, the Doctor must battle an ancient force from another dimension, one who claims to be the Devil. Scratchman wants to know what the Doctor is most afraid of. And the Doctor’s worst nightmares are coming out to play...

Hugh John Lofting created the classic children's literature character of Doctor Dolittle. The Stories of Doctor Dolittle is collection of children's novels about an animal-loving British country doctor who learns he can talk to animals. This easy-to-read and easy-to-navigate ebook contains: The Story of Doctor Dolittle The Voyages of Dr. Dolittle Doctor Dolittle's Post Office Doctor Dolittle's Circus Doctor Dolittle's Zoo Doctor Dolittle's Caravan Doctor Dolittle's Garden Doctor Dolittle in the Moon Doctor Dolittle's Return Doctor Dolittle and the Green Canary

The English-born American author Hugh Lofting was the creator of the beloved children's character of Doctor Dolittle, the eccentric, yet genial physician that can talk to the animals. The genesis of the series appeared in illustrated letters sent by Lofting to his children, while he was undergoing the horrors of the trenches in World War I, when news was “too horrible” to send. The Dolittle books are celebrated for their charming wit and the humorous treatment of the doctor’s bachelorette household in Puddleby-on-the-Marsh. However, Lofting’s works provide a recurring message of pacifism and censure of warmongering, which is most evident in Lofting’s anti-war poem ‘Victory for the Slain’. For the first time in publishing history, this edition presents Lofting’s complete works, with numerous illustrations, rare texts and concise introductions. (Version 1) \* Beautifully illustrated with images relating to Lofting’s life and works \* Concise introductions to the novels and other texts \* All of the Doctor Dolittle books, including ALL of Lofting’s original illustrations \* Rare novels appearing for the first time in digital publishing \* Images of how the books were first published, giving your eReader a taste of the original texts \* Excellent formatting of the texts \* Lofting’s other children’s books, digitised here for the first time, including ‘Porridge Poetry’ and ‘Noisy Nora’ \* Lofting’s works for adults – available in no other collection \* Includes the 1924 pacifist essay ‘Children and Internationalism’ \* The anti-war poem ‘Victory for the Slain’ \* Ordering of texts into chronological order and genres Please visit [www.delphiclassics.com](http://www.delphiclassics.com) to browse through our range of exciting titles CONTENTS: The Doctor Dolittle Books The Story of Doctor Dolittle (1920) The Voyages of Doctor Dolittle (1922) Doctor Dolittle’s Post Office (1923) Doctor Dolittle’s Circus (1924) Doctor Dolittle’s Zoo (1925) Doctor Dolittle’s Caravan (1926) Doctor Dolittle’s Garden (1927) Doctor Dolittle in the Moon (1928) Gub Gub’s Book (1932) Doctor Dolittle’s Return (1933) Doctor Dolittle and the Secret Lake (1948) Doctor Dolittle and the Green Canary (1950) Doctor Dolittle’s Puddleby Adventures (1952) Other Children’s Books The Story of Mrs. Tubbs (1923) Porridge Poetry (1924) Noisy Nora (1929) The Twilight of Magic (1930) Tommy, Tilly, and Mrs. Tubbs (1936) Works for Adults Children and Internationalism (1924) Victory for the Slain (1942) Please visit [www.delphiclassics.com](http://www.delphiclassics.com) to browse through our range of exciting titles or to purchase this eBook as a Parts Edition of individual eBooks

The Eagle Strikes weaves terrorism, conflict, libido, bigotry, technology, and suspense into a fact-filled fictitious novel. When The Eagle set his goal of Universal Freedom for all Mankind, he expected objection and misunderstanding, but he also knew people tired of accepting corruption in government as a way of life. A prominent and catastrophic event showing total lack of government control could easily incite rebellion. He would provide that event, and another step toward a second Golden Age of Freedom would be complete. An exceptionally well structured thriller, full of suspense, and believable. Both the climax and resolution are highly satisfying.

Epic novel of post-revolutionary Russia focuses on the torments and dreams of a doctor-poet who attempts to avoid the struggles of his turbulent era

"A strange, violent period in your history." -- Spock Many unanswered questions remain about the terrible Eugenics Wars that raged on Earth during the 1990s, an apocalyptic conflict that brought civilization to the brink of a new dark age. Centuries later, as Capt. James T. Kirk and the crew of the Starship Enterprise™ are forced to defend a colony of genetically enhanced humans against Klingon aggression and sabotage, Kirk must probe deeper into the past -- and into the glory days of one of the greatest adversaries he has ever faced. 1992. Almost twenty years ago, Gary Seven and Roberta Lincoln, undercover operatives for an unknown alien civilization, failed to prevent the Chrysalis Project from creating an entire generation of supermen and women, genetically engineered to be stronger, smarter, and more resourceful than ordinary human beings. Now, at last, the children of Chrysalis have grown to adulthood, and are rapidly demonstrating that superior abilities spawn superior ambition. Perhaps the most formidable of this new breed of supermen is the charismatic Khan Noonien Singh. Working behind the scenes of history as head of a vast global conspiracy, Khan's power soon stretches across a quarter of the planet, but that is only the beginning of his grand design. Determined to unite humanity beneath the enlightened rule of a genetic elite, Khan dreams of leading his fellow superhumans to complete and total domination of the world. But several of his gene-engineered brothers and sisters have equally grandiose visions for the future, visions that recognize no one but themselves as supreme ruler. Gary Seven and Roberta watch in horror as the children of Chrysalis wage a covert war against one another, threatening the safety of millions and the future of the entire world! The Eugenics Wars: Volume Two is an earth-shattering thriller that reveals the secret history of the twentieth century -- and the ultimate destiny of the tyrant known as Khan.
