The sources added that Barry Jenkins, who won a best picture Oscar in 2018 for "Moonlight," is set to direct the project. No release date has been announced. "Helping my sister raise two young boys during the '90s, I grew up with these characters," Jenkins said in a statement to Deadline. "Having the opportunity to work with Disney on expanding this magnificent tale of friendship, love and legacy while furthering my work chronicling the lives and souls of folk within the African diaspora is ...

### 'Lion King' follow-up movie to be directed by Barry Jenkins

Moonlight director Barry Jenkins is a fan of these productions, and he included a screwed-and-chopped version of Jidenna's "Classic Man" in the aforementioned film.

Es éste un ágil relato periodístico que, lejos de sucumbir a las valoraciones simplistas o las opiniones maniqueas, deja hablar a los actores, rescata testimonios y documentos, pone en orden la historia, para entender mejor las ideas del México inconforme, guerrillero, que se lanza a la lucha armada porque ve cerrados todos los caminos. Sólo tomando el pulso al pasado podremos adivinar lo que nos espera en el futuro.

Bill Clegg had a thriving business as a literary agent, a supportive partner, trusting colleagues, and loving friends when he walked away from his world and embarked on a two-month crack binge. He had been released from rehab nine months earlier, and his relapse would cost him his home, his money, his career, and very nearly his life. What is it that leads an exceptional young mind want to disappear? Clegg makes stunningly clear the attraction of the drug that had him in its thrall, capturing in scene after scene the drama, tension, and paranoid nightmare of a secret life--and the exhilarating bliss that came again and again until it was eclipsed almost entirely by doom. He also explores the shape of addiction, how its pattern--not its cause--can be traced to the past. Portrait of an Addict as a Young Man is an utterly compelling narrative--lyrical, irresistible, harsh, honest, and beautifully written--from which you simply cannot look away.

Este número da Revista Migrações subordinado ao tema do associativismo imigrante tem como principal objectivo fornecer uma visão multifacetada das dinâmicas associativas das populações imigrantes a residir em Portugal. Como tal, este número temático constitui-se, como um espaço de divulgação de conhecimentos e de saberes, que pretende dar a conhecer a realidade do associativismo imigrante a partir do cruzamento de diferentes perspectivas e eixos de análise. Face à complexidade do fenómeno das migrações e do associativismo seria pretenciosa a tentativa de tratar de forma abrangente e exaustiva as múltiplas e distintas vertentes que configuram as práticas associativas imigrantes. Procurou-se, sim, oferecer aos leitores um conjunto de contributos importantes para o conhecimento do associativismo imigrante em Portugal, que evidenciam algumas das suas mais recentes tendências.

No cenário da Sociedade em Rede, artistas independentes têm alcançado reconhecimento graças à visibilidade conquistada em determinados ambientes digitais, muitas vezes sem a presença de intermediários tradicionais, como a indústria fonográfica. Começam a fazer sucesso entre nichos específicos de ouvintes e, posteriormente, chegam a um público muito mais amplo, tornando-se, então, populares na mídia tradicional e massiva, como televisão e rádio. Músicos Independentes na Internet: novas lógicas de consagração artística analisa como se dá esse processo de consagração dentro do cenário de cultura de convergência, em que a comunicação midiática é certamente fator fundamental, ao mesmo tempo em que fronteiras entre usuários/receptores e músicos/emissores passam a se dissipar e a se embaralhar.

Gathers interviews with writers, directors, playwrights, producers, and performers and shares their views on their work

El 6 de junio de 1962, los Beatles interpretan por primera vez Love Me Do en los estudios de Abbey Road. Fue George Martin, responsable del sello Parlophone, quien organizó esta audición y quien tomó, varias semanas después, la decisión de contratarlos. Entre esa pieza, que adquiriría la condición de mítica, y Let it Be, su último single británico, publicado en marzo de 1970, poco antes de la separación del grupo, los Beatles grabaron 13 álbumes originales y compusieron más de 200 temas. En las páginas de esta obra se da preponderancia a los testimonios de los propios Beatles, así como a las personas de su entorno más próximo, con el fin de acercar al lector a la verdad y alejarlo de leyendas y de hechos que no pueden comprobarse. Asimismo, se da un lugar importante a las cuestiones técnicas, para lo que se han abordado los métodos y los distintos instrumentos y técnicas de estudio que se utilizaron en la época, lo cual resultará de interés para los entendidos, y ayudará a conocer un universo apasionante a los profanos.

Geschiedenis van de worstelsport, alsmede interviews met worstelaars.

A sly debut story collection that conjures the experience of adolescence through the eyes of Chinese American girls growing up in New York City—for readers of Zadie Smith and Helen Oyeyemi. Winner of the Los Angeles Times Book Prize • Winner of the PEN/Robert W. Bingham Prize for Debut Fiction • Finalist for the New York Public Library's Young Lions Fiction Award NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • NPR • O: The Oprah Magazine • The Guardian • Esquire • New York • BuzzFeed A fresh new voice emerges with the arrival of Sour Heart, establishing Jenny Zhang as a frank and subversive interpreter of the immigrant experience in America. Her stories cut across generations and continents, moving from the fraught halls of a public school in Flushing, Queens, to the tumultuous streets of Shanghai, China, during the Cultural Revolution of the 1960s. In the absence of grown-ups, latchkey kids experiment on each other until one day the experiments turn violent; an overbearing mother abandons her artistic aspirations to come to America but relives her glory days through karaoke; and a shy loner struggles to master English so she can speak to God. Narrated by the daughters of Chinese immigrants who fled imperiled lives as artists back home only to struggle to stay afloat—dumpster diving for food and scamming Atlantic City casino buses to make a buck—these seven stories showcase Zhang's compassion, moral courage, and a perverse sense of humor reminiscent of Portnoy's Complaint. A darkly funny and intimate rendering of girlhood, Sour Heart examines what it means to belong to a family, to find your home, leave it, reject it, and return again. Praise for Sour Heart "[Jenny Zhang's] coming-of-age tales are coarse and funny, sweet and sour, told in language that's rough-hewn yet pulsating with energy."—USA Today "One of the knockout fiction debuts of the year."—New York "Compelling writing about what it means to be a teenager . . . It's brilliant, it's dark, but it's also humorous and filled with love."—Isaac Fitzgerald, Today "[A] combustible collection . . . in a class of its own."—Booklist (starred review) "Gorgeous and grotesque . . . [a] tremendous debut."—Slate
