Differences in Unitary, Confederate and Federal Forms of ...

Depending on how a constitution organizes power between the central and subnational governments, a country may be said to possess either a unitary or a federal system (see also federalism). In a unitary system the only level of government besides the central is the local or municipal government. Although local governments may enjoy considerable autonomy, their powers are not accorded constitutional status; the central government determines which decisions to “devolve” to the local level ...
