Informative reading for those governors who may wish to gain insight into this area of school planning' - "Teacher Development " Development plans have become a feature of almost every school in the UK and most policy-makers and practitioners assume that by having such a plan a school will become more effective. But do they really make a difference? What impact does a development plan have on the management and organisation of the school, on the professional development of teachers and, most importantly, on pupils' learning in the classroom? Can the development planning process be used as a school improvement strategy or would schools be better investing their time and energy in other ways?

Today, educators are looking for ways to utilize classroom time more effectively. Many thoughtful and forward-looking educators have reorganized the school calendar from the traditional nine-month model to one which is more balanced, and they have experienced the effects of calendar modification in the classroom, school, district, and community. *Balancing the School Calendar* is a compilation of

perspectives and research reports from those who have experienced the urgent necessity of reorganizing time to effectuate better learning situations for students. Chapter authors have implemented, studied, or contemplated school calendar change and the results of the change.

Julian, Dick, Anne, George and Timmy the dog find excitement and adventure wherever they go in Enid Blyton's most popular series. A short story in colour for younger readers. George's dog Timmy sniffs out an adventure when he spots some suspicious-looking passengers on a train. He is very interested in one of them, but what has he spotted? Can the Famous Five solve this mystery? In addition to the Famous Five novels, Enid Blyton wrote a clutch of short stories based on the characters. These were published in magazines and collected in the Famous Five Short Story Collection (Hodder). For the first time, the complete text of Five and a Half-Term Adventure (1956) appears in an individual volume, illustrated with lively contemporary colour art by Jamie Littler.
