The New York Times Best Seller! Now with an excerpt of Michelle's new book, I'll See You in Paris! Bienvenue à Paris! When April Vogt's boss tells her about an apartment in the ninth arrondissement that has been discovered after being shuttered for the past seventy years, the Sotheby's continental furniture specialist does not hear the words "dust" or "rats" or "decrepit." She hears Paris. She hears escape. Once in France, April quickly learns the apartment is not merely some rich hoarder's repository. Beneath the cobwebs and stale perfumed air is a goldmine, and not because of the actual gold (or painted ostrich eggs or bronze bathtub). First, there's a portrait by one of the masters of the Belle Epoque, Giovanni Boldini. And then there are letters and journals written by the very woman in the painting, Marthe de Florian. These documents reveal that she was more than a renowned courtesan with enviable decolletage. Suddenly April's quest is no longer about the bureaux plats and Louis-style armchairs that will fetch millions at auction. It's about discovering the story behind this charismatic woman. It's about discovering two women, actually. With the help of a salty (and annoyingly sexy) Parisian solicitor and the courtesan's private diaries, April tries to uncover the many secrets buried in the apartment. As she digs into Marthe's life, April can't help but take a deeper look into her own. Having left behind in the States a cheating husband, a family crisis about to erupt, and a career she's been using as the crutch to simply get by, she feels compelled to sort out her own life too. When the things she left bubbling back home begin to boil over, and Parisian delicacies beyond flaky pâtisseries tempt her better judgment, April knows that both she and Marthe deserve happy finales. Whether accompanied by croissants or champagne, this delectable debut novel depicts the Paris of the Belle Epoque and the present day with vibrant and stunning allure. Based on historical events, Michelle Gable's A Paris Apartment will entertain and inspire, as readers embrace the struggles and successes of two very unforgettable women.

Bilingual Short Stories in French and English for Young Readers Introduce your children to the joys of reading while helping them improve their French and English proficiency at the same time. This book is perfect for kids between ages 8 and 12 and is designed to boost language skills, enhance the imagination, and pave the way for a life-long love of reading. 10 Fun and Engaging Stories Featuring a wide array of enjoyable themes, parents can rest assured that the material in this book is highly suitable for children. Written in Parallel Text to Boost Comprehension Each paragraph is written in both French and English - first in French, followed by its English equivalent. You can also read the stories in French only or in English only, which is perfect for bilingual children, whether native French or English speakers! Free Audio to Improve Listening Skills The stories are recorded in two ways, with an English version narrated by a native English speaker, and a French version narrated by a native French speaker. The audio is designed as a perfect supplement to help readers learn the correct pronunciations and improve their listening skills in an enjoyable manner. Not Just for Children - It's Great for Adults, Too! This book is suitable for children, but adults can also enjoy it. Whether you are looking to improve your French (or English) with a fun method or you are simply in it for the joy of reading a short story, this book is great for adults. Technical Details 10 short stories Total of 120 minutes of audio (60 minutes of English, 60 minutes of French) Grab Your Copy Now!

This textbook includes all 13 chapters of Français interactif. It accompanies www.laits.utexas.edu/fi, the web-based French program developed and in use at the University of Texas since 2004, and its companion site, Tex's French Grammar (2000) www.laits.utexas.edu/tx/ Français interactif is an open access site, a free and open multimedia resources, which requires neither password nor fees. Français interactif has been funded and created by Liberal Arts Instructional Technology Services at the University of Texas, and is currently supported by COERLL, the Center for Open Educational Resources and Language Learning UT-Austin, and the U.S. Department of Education Fund for the Improvement of Post-Secondary Education (FIPSE Grant P116B070251) as an example of the open access initiative.

When a young girl helps tend to her grandmother ' s garden, she begins to notice things that make her curious. Why does her grandmother have long, braided hair and beautifully coloured clothing? Why does she speak another language and spend so much time with her family? As she asks her grandmother about these things, she is told about life in a residential school a long time ago, where all of these things were taken away. When We Were Alone is a story about a difficult time in history, and, ultimately, one of empowerment and strength. Also available in a bilingual Swampy Cree/English edition. When We Were Alone won the 2017 Governor General's Literary Award in the Young People's Literature (Illustrated Books) category, and was nominated for the TD Canadian's Children's Literature Award.

"The Fir Tree" by Hans Christian Andersen, published originally in 1845, follows the life of a young fir tree living in the woods. Compared to the other trees around him, he feels small, spindly and short, and he constantly utters complaint to any and all woodland creatures within ear shot. Most pointedly, he wonders "when will he truly be alive?" When he sees humans cut down some beautiful trees nearby and then drag them across the snow, he asks the swallows, "Where are they going?" In answer they tell him of all Christmas's splendor and beauty of which those lucky trees will soon be a part. Yet when the time comes for our little fir tree to have his turn, he's taught an unexpected and irreversible lesson. This children's e-book is fully illustrated all-color. Young readers will love the charming all-color illustrations, while parents will appreciate the moral at the end of the story. The beautiful illustrations will captivate your child's imagination and bring them back to read it over again and again.

There are many ways to be a kid... Active and entertaining characters drawn in the author Elise Gravel's signature style will elicit giggles from kids and adults alike as they highlight all the weird and wonderful ways to be a kid. Short and sweet, You Can Be is a gentle reminder to embrace diversity in yourself and others, to be kind, and above all, to be YOURSELF.

The Little Prince and nbsp;(French: and nbsp;Le Petit Prince) is a and nbsp;novella and nbsp;by French aristocrat, writer, and aviator and nbsp;Antoine de Saint-Exupéry. It was first published in English and French in the US by and nbsp;Reynal and amp; Hitchcock and nbsp;in April 1943, and posthumously in France following the and nbsp;liberation of France and nbsp;as Saint-Exupéry's works had been banned by the and nbsp;Vichy Regime. The story follows a young prince who visits various planets in space, including Earth, and addresses themes of loneliness, friendship, love, and loss. Despite its style as a children's book, and nbsp;The Little Prince and nbsp;makes observations about life, adults and human nature. The Little Prince and nbsp;became Saint-Exupéry's most successful work, selling an estimated 140 million copies worldwide, which makes it one of the and nbsp;best-selling and nbsp;and and nbsp;most translated books and nbsp;ever published. and nbsp;It has been translated into 301 languages and dialects. and nbsp;The Little Prince and nbsp;has been adapted to numerous art forms and media, including audio recordings, radio plays, live stage, film, television, ballet, and opera.

A moving and universal picture book about empathy and kindness, sure to soothe heartaches big and small—now a New York Times bestseller
When something sad happens, Taylor doesn't know where to turn. All the animals are sure they have the answer. The chicken wants to talk it out, but Taylor doesn't feel like chatting. The bear thinks Taylor should get angry, but that's not quite right either. One by one, the animals try to tell Taylor how to act, and one by one they fail to offer comfort. Then the rabbit arrives. All the rabbit does is listen . . . which is just what Taylor needs. With its spare, poignant text and irresistibly sweet illustration, The Rabbit Listened is about how to comfort and heal the people in your life, by taking the time to carefully, lovingly, gently listen.
