As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee back to the 1940s, at the height of the war, when young Henry ' s world is a jumble of confusion and excitement, and to his father, who is obsessed with the war in China and having Henry grow up American. While “scholarshipping” at the exclusive Rainier Elementary, where the white kids ignore him, Henry meets Keiko Okabe, a young Japanese American student. forge a bond of friendship—and innocent love—that transcends the long-standing prejudices of their Old World ancestors. And after Keiko and her family are swept up in the evacuations to the internment camps, she and Henry are left only with the hope that the war will end, and that their promise to each other will be kept. Forty years later, Henry Lee is certain that the parasol belonged to Keiko. In the hotel ' s dark dusty basement he begins looking for signs of the Okabe family ' s belongings and for a long-lost object whose value he cannot begin to measure. Now a widower, Henry is still trying to find his voice—words that might explain the actions of his nationalistic father; words that might bridge the gap between him and his modern, Chinese American son; words that might help him confront the

Meanwhile, Anya ' s parents talk about World War II, the Blockade, and the hardships they have endured. By the time Anya and Milka are fifteen, the Soviet Empire is on the verge of collapse. and politics, and discuss forbidden books. But the world is changing, and the fleeting time they have together is cut short by a sudden tragedy. Years later, Anya returns to Russia from America, where she has chosen a different kind of life, far from her family and childhood friends. When she meets Lopatin again, he is a smug businessman who wants to buy her parents' dacha and cut down the apple orchard. Haunted by the ghosts of her youth, Anya comes to the stark realization that memory does not fade or disappear; rather, it moves us across time, connecting our past to our future, joys to sorrows. Inspired by Anton Chekhov's *The Cherry Orchard*, Kristina Gorcheva-Newberry's *The Orchard* powerfully captures the lives of four Soviet teenagers who are about to lose their country and one another, and who
