The Three Traditions

The idea of three traditions was Wight's
attempt to provide order to what he saw as
the scattered body of past thinking about
international relations. The traditions
themselves are both simple and complex:
each may be reduced to a fundamental
proposition about a particular aspect of
international politics, but each contains
numerous variations on the theme.

Reconstituted and published in 1990, *International Theory: The Three Traditions* seeks to make sense of the history of thought about international politics by dividing it into the categories of realism, rationalism and revolutionism, sometimes known as the Machiavellian, Grotian and Kantian traditions.

Martin Wight - Wikipedia

International relations theory is the study of international relations (IR) from a theoretical perspective. It attempts to provide a conceptual framework upon which international relations can be analyzed. Ole Holsti describes international relations theories as acting like pairs of coloured sunglasses that allow the wearer to see only salient events relevant to the theory; e.g., an adherent ...

International relations theory - Wikipedia
It underlines the English school tradition of realism and Machtpolitik (power politics) and puts international anarchy at the centre of International Relations Theory. Hedley Bull defined the international system as being formed "when two or more have sufficient contact between them, and has sufficient impact on one another's decisions to cause them to behave as part of a whole.
