The Rough Guide to Cuba is the ultimate guide to the home of sun, salsa and rum From down town Trinidad to small-town street parties, the latest section introduces the best Cuba has to offer. This revised 6th edition contains ... The guide is full of informed descriptions and accurate listings of the best bars, restaurants and music venues to be seen at, from the lively city of Havana to the seaside resorts of Cayo Coco and Guardalavaca. This guide also takes a detailed look at the country's turbulent history,sport, music and wildlife, and comes complete with new maps and plans for every area. The Rough Guide to Cuba's is like having a local friend plan your trip!

This book was written by a Maximo consultant for Maximo functional consultants to help them lead implementation projects better and faster. This is already the second edition of this book, revised and extended. The book covers the topic of how to implement IBM Maximo Asset Management efficiently and bring value to customers. The book begins by describing how to prepare the project and run the workshops. There is an explanation of how to design the system and what deliverables will be. The following chapters focus on the project organization to make it productive. This part of the book can be helpful also for managers of Maximo implementation teams. The second part of the book describes Maximo applications, their interactions, and processes. You will also find here a lot of configuration examples and sample content of the project deliverables. See what my readers have to say... "...I must thank you for your contribution towards the industry and how much it can help young and upcoming business consultants like me in getting things right. Knowledge is invaluable. Thanks for your time in creating a medium to share it globally..." —Hashmeet "...The book has immensely helped me in planning the activities and deploying the project...." —Kushal "...Very well written for a consultant to understand how to approach projects. Utilize many of your talking points with my clients. Great work!..." —John

A highly illustrated guide to Peru in the award-winning DK Eyewitness Travel series

Whether you are planning to visit a city, a region or a country, DK's foolproof 'Eyewitness' approach makes learning about a place a pleasurein itself. All the traditional guidebook subject matter is covered—descriptions of sights, opening times, hotels, restaurants, shopping, entertainment, phrase books etc— but, with the help of specially commissioned illustrations and maps, DK makes essential information easy to access and quick to absorb. No other guides explain the history of a place as clearly in words and pictures. DK Eyewitness Travel Guides—the best guides ever created. Continuing to expand our South American coverage, this beautifully illustrated Eyewitness guide will be the premier travel book to Peru, with complete coverageof Lima, the Amazon Basin, and, of course, Machu Picchu. Whether your interestslie in floating on Lake Titicaca, watching the condors soar at Colca Canyon or experimenting with South American cuisine, DK Eyewitness Peru will help you find the essence of the Andes.

Most travel books take you far, but usually not far enough. Too often they include too much historical material, too little about the facts of life. Knowledge of any city, after all, is written in terms of its people, its food, its customs. Take Havana, now. There have been no books about Havana that make its people real to us. If Americans consider the Cubans "touched," they, in their turn, sum us up as Americanos locos. But the Cubans, at least, admire the stuff Americans are made of, even though it defies their analysis. It's time for visitors to return the compliment, to be more open-minded and less jingoistic. The geniality and gracious dignity of life in Havana and the mercurial charm of its inhabitants deserve understanding and appreciation. There have been no books about Havana that guide tourists through the complicated maze of Cuban etiquette. Warm-hearted and easy-going though he may be, your true Cuban rents any transgression of the rules of his social code. The bad impressions left by Americans on a spree cry to heaven for correction. There have been no books about Havana that show tourists how to get more than their money's worth out of shopping, eating, sightseeing and night-clubbing, how to spend intelligently, how to save wisely, how to have fun on even the most limited budget. These pages try to demonstrate that there is much more than rum, rumba and revolution in Cuba; to indicate the pattern of behavior that furthers social success in this unpredictable but always enchanting country; to turn the spotlight on Cuban customs and the Latin way of looking at life. Understanding all this will mean keener appreciation of your experiences there, richer memories and a sympathy for Havana that make the place unforgettably warm and colorful.
