*The SAGE
Handbook of
Political
Communication*

Overview. The use of social media is becoming a feature of political and civic engagement for many Americans. Some 60% of American

Download Ebook Media

adults use
either social
networking sites
like Facebook or
Twitter and a
new survey by
the Pew Research
Center's

Internet &
American Life
Project finds
that 66% of
those social
media users—or

Download Ebook Media

39% of all American adults—have done at least one of eight civic or political activities with social media.

*Media and
Political . . .*

The link between
political

interest and
political action
is strong and
well established

(Van Deth, 1989;
Verba et al.,
1995); we

therefore expect
that young
adults with

Download Ebook Media

higher levels of political interest will be more likely to use social media for political engagement (H3). If this

hypothesis is confirmed, it will indicate that social media is only being used for

Download Ebook Media

political
engagement by
those who are
already

predisposed to
do so (by their
greater interest
in politics).
