Produced specifically to answer QCA concerns over attainment and assessment in RE at Key Stage 3, this series balances learning about religions with learning from religions.

This comprehensive guide offers an unrivalled introduction to recent work in the study of religion, from the religious traditions of Asia and the West, to new forms of religion and spirituality such as New Age. With an historical introduction to each religion and detailed analysis of its place in the modern world. Religions in the Modern World is ideal for newcomers to the study of religion. It incorporates case-studies and anecdotes, text extracts, chapter menus and end-of-chapter summaries, glossaries and annotated further reading sections. Topics covered include: \* religion, colonialism and postcolonialism \* religious nationalism \* women and religion \* religion and globalization \* religion and authority \* the rise of new spiritualities.

Produced specifically to answer QCA concerns over attainment and assessment in RE at Key Stage 3, this series balances learning about religions with learning from religions. It comprises differentiated Student Books, Teacher's Resource Packs and CD-ROMs, on the six major world faiths.

Buddhism in the Modern World explores the challenges faced by Buddhism today, the distinctive forms that it has taken and the individuals and movements that have shaped it. Part One discusses the modern history of Buddhism in different geographical regions, from Southeast Asia to North America. Part Two examines key themes including globalization, gender issues, and the ways in which Buddhism has confronted modernity, science, popular culture and national politics. Each chapter is written by a distinguished scholar in the field and includes photographs, summaries, discussion points and suggestions for further reading. The book provides a lively and up-to-date overview that is indispensable for both students and scholars of Buddhism.

A comprehensive and accessible textbook which explores the traditions and beliefs of the world's living religions – the fully updated and revised new edition The World Religions Reader is an inclusive, student-friendly examination of the history, teaching, practices, and appeal of the world's major religions. Covering both the fundamentals and complexities of each religious tradition, this popular textbook brings together significant texts from scriptures and scholars, as well as writings from philosophers and other significant thinkers throughout history. Students are provided with an introduction and overview of the tradition, taken through its primary texts, and presented with a text which seeks to persuade the student of the tradition's merits. This new edition has been thoroughly updated to be even more accessible for students new to interreligious engagement and to reflect current trends and developments in religions worldwide. Every chapter opens with a substantial overview which orients the new student and then flows into a carefully chosen set of texts - a regular textbook is now combined with a Reader. New content examines areas such as the Rastafarian tradition, while revised chapters cover secular humanism and indigenous and emerging religious traditions. The methodology of the book focuses on an empathetic approach – representing each tradition from the perspective of a conventional adherent – enabling students to develop understanding of each tradition and appreciate similarities and differences in their most typical forms. Invites students to study each tradition from the perspective of a follower, aiming to understand why the tradition is popular and powerful Explores representative passages, world-views, rituals and institutions, ethical expressions and modern outlooks for each religion Features discussions of interfaith perspectives on the role of women in religious traditions and the impact of world events and politics on interfaith communication Encourages students to consider questions of truth, the relation of religion and society, and the changing nature of a tradition in the modern world Includes a complete set of pedagogical tools and instructor resources, including end-of-chapter fact sheets, topic summaries, key term sections, and essay and discussion questions The World Religions Reader, Fourth Edition is an ideal textbook for undergraduate and graduate courses in religion, especially for liberal arts and non-affiliated colleges, as well as general readers wishing to increase their knowledge of the world's religious traditions.

Provide students with a strong understanding of religion with high quality, engaging and content-rich resources building a firm foundation for the new RS GCSE. Deliver a rich, coherent RE course at KS3 and equip pupils with a deep understanding of religion with ready-made, flexible and high quality KS3 lessons from Collins. 'Knowing Religion' is written by an author team of experienced RE teachers and led by series editor Robert Orme of West London Free School. - Discover the history and beliefs of Buddhism, Hinduism and Sikhism as well as these religions in the modern world - Start teaching straight away with Teacher Guide resources available on Collins Connect, including teaching ideas and support along with answers to questions in the student books - Give pupils the grounding they need to excel at GCSE RS - Ignite an interest in religion through a compelling narrative, fascinating facts and extraordinary people - Aid pupil memory with a 'knowledge organiser' at the end of each unit covering key vocabulary, people, places, and dates - Spark discussion and assess understanding with questions for each lesson including longer-form discursive questions to provide extended writing and essay practice - Each book structured as 16 lessons to offer flexibility and map onto the school timetable with ease - The 'Knowing Religion' series also includes resources on Christianity, Judaism and Islam

The Student Study Guides are important and unique components that are available for each of the books in The Medieval & Early Modern World series. Each of the Student Study Guides is designed to be used with the main text at school or sent home for homework assignments. The activities in the Student Study guide will help students get the most out of their history books. Each student study guide includes a chapter-by-chapter two-page lesson that uses a variety of interesting activities to help a student master history and develop important reading and study skills.

Religions in the Modern World: Traditions and Transformations, Third Edition is the ideal textbook for those coming to the study of religion for the first time, as well as for those who wish to keep up-to-date with the latest perspectives in the field. This third edition contains new and upgraded pedagogic features, including chapter summaries, key terms and definitions, and questions for reflection and discussion. The first part of the book considers the history and modern practices of the main religious traditions of the world, while the second analyzes trends from secularization to the rise of new spiritualities. Comprehensive and fully international in coverage, it is accessibly written by practicing and specialist teachers.
