A historical landmark title on the practice of gunsmithing. • Readers say it best: "This is the real deal. If you want to be a master gunsmith you need to understand how they did it in the past." • Vickery's clear and precise instruction covers gunsmithing essentials and techniques for both the amateur and professional smith. It is a valuable collector's item for any firearm enthusiast. • Classic and practical, Advanced Gunsmithing is a noteworthy companion to the gunsmith's workbench. • Rated 5.0 stars by customers in interested in Hobby books.

Aimed directly at international corporations and entrepreneurs venturing into the potentially lucrative markets of Latin America, "Doing Business with Latin America" provides comprehensive guidance, as well as practical advice on all aspects of developing business. Covering such issues as the context for international business, guidance on market entry, and the principle areas of opportunity, this second edition also includes a substantially updated country-by-country section.
