Understanding Children and Young People's Mental Health has been designed to help the student and newly qualified health care professional to familiarise themselves with the key theoretical frameworks underpinning the field of children and young people's mental health. It explores the mental health challenges that children and young people face, and how we as adults can work alongside them to help them face and overcome such challenges. This book provides comprehensive information on the theory and practice of particular mental health difficulties which children and young people may have to face, including self-harm, depression, suicide, child abuse, eating disorders, substance misuse, and early onset psychosis. Understanding Children and Young People's Mental Health is essential reading for pre-registration students in nursing and healthcare on child and mental health branches, and for newly qualified nursing, health and social care practitioners who work with children and young people. Brings together specialist practitioners and academics in the field Incorporates the latest guidelines and policies Practical and accessible in style with learning outcomes, activities, examples and recommended reading in each chapter

Exam board: NCFE Level: Level 1/2 (Key Stage 4) Subject: Business First teaching: September 2018 First exams: March 2019 Target success in NCFE Level 1/2 Technical Award in Business and Enterprise with our proven formula for effective, structured revision. Key content coverage is combined with exam-style tasks and practical tips to create a revision guide that students can rely on to review, strengthen and test their knowledge. Support all mandatory QCF units in mental health awards, certificates and diplomas with this handbook written for work-based learners and mapped to major qualifications from all awarding organisations, including City & Guilds Level 3 Diploma in Mental Health. Mental Health Care is part of the Care Worker Handbooks series, which provides practical, easy-to-understand topic knowledge, assessment support and advice for a range of qualifications. Core topics are linked to the specific competencies and knowledge is related to the many different settings and roles across Home Care, Residential Care, NHS and private settings. It is especially useful for candidates taking any of the Level 1, Level 2 and Level 3 awards, certificates and diplomas in mental health care or for brushing up skills and knowledge from previous qualifications. - Link client types with the competencies you will need with this topic-based approach - Learn from case studies which provide lessons for care in a variety of situations - Learn from authors who have extensive experience in this area

This book will explore the nature of the creative and media sector and describe issues and debates surrounding creative and media teaching and learning. It will provide teachers with support in differentiating between Creative and Media qualifications and suggest appropriate strategies for the delivery and assessment, as well as the integration of functional skills and wider key skills within Creative and Media programmes.
