The National Environmental Policy Act (NEPA) affects all areas of environmental protection. ELI's updated NEPA Deskbook, 3rd Edition, presents NEPA, along with supporting and related documents, and provides analysis of NEPA's provisions and their requirements. The Deskbook is an essential resource for environmental attorneys, compliance managers, environmental consultants, or anyone who deals with environmental regulation and compliance.

This award-winning book is a veritable "soup to nuts" guide to CEQA and the environmental review process. It contains easy-to-understand explanations of the key policies, players, procedures, and practices related to CEQA compliance. It takes the reader through the process from the Initial Study and Notice of Preparation all the way to agency decision-making and litigation. The book also explains how to prepare useful and legally sufficient environmental documents, including Negative Declarations, Mitigated Negative Declarations, and Environmental Impact Reports (EIRs). This edition includes: ı All legislative amendments through 2012 ı The most recent version of the State CEQA Guidelines, including revisions related to greenhouse gas emissions ı Sidebar discussion of key court decisions ı Practice tips addressing commonly occurring issues ı New and revised flow charts and diagrams explaining important elements of CEQA ı Advice about integrating CEQA with NEPA and other environmental laws ı Hard-to-find studies of CEQA ı s effectiveness ı Pointers for successful compliance

Explores the history and evolution of environmentalism in modern America, featuring essays that look at environmental issues facing each state, primary source documents, and thematic A to Z entries.
