Nissan 200sx S13 CA18DET OE Flywheel - Manual Transmission ...  
This is a used Nissan S13 (CA18DET) Manual Gearbox. Mileage is unknown, and I have not tested it in a car on the road. All I can tell you is that externally it looks to be in good shape, all gears select easily and turning the input shaft turns the output shaft in all gears. It will come with all the wiring and sensors still attached (as per the photos).
