Managing your own payroll used to be a daunting task. But not any longer! This book is the first comprehensive guide on using QuickBooks to perform all aspects of your company's payroll...from setup to tax reporting. Whether you have five employees or five thousand, this book contains everything you need to know in order to handle your payroll functions quickly and efficiently. The writing is clear, concise and intuitive - making it ideal for new and veteran QuickBooks users alike.

The Payroll Book is the only book that demystifies payroll with clear, concise, and real-world examples on how to tackle the process. "The Payroll Book will be a valuable resource for the small business owner as well as for the entrepreneur planning a new venture. Thorough, well-organized, and thoughtfully written, this practical guide is an essential tool for managing the payroll process." —Marilyn K. Wiley, Dean, College of Business, University of North Texas "Failing to comply with the withholding, tax remittance, and report filing requirements in handling business payroll carries a high cost. Charles' book will guide entrepreneurs through the minefields of payroll processing and reporting in language that business owners can understand. Whether you already own or are planning to start your own business, The Payroll Book is an essential tool." —James A. Smith, Past President and Chairman, Texas Society of CPAs "If accounting is something you have not paid keen attention to in your startup, then this book can demystify the whole thing for you and then some! Logically set-up and highly practical in its approach! I highly recommend this book for any startup, entrepreneur, and, frankly, anyone thinking about starting a business. That said, if you already started a business it's just as important—this is a must-read!" —Hubert Zajicek, CEO, Co-founder and Partner, Health Wildcatters "Wow! This is the most comprehensive book of its kind. I have worked in payroll for over 25 years, and I would recommend this book as a reference to anyone who has a hand in payroll. From the novice just entering the field to the seasoned veteran, there is something in this book for everyone." —Romeo Chicco, President, PayMaster

I have Documented many Scenarios I faced when working as a SAP Consultant. I used to document all my configurations. So this Documentation led me to write this SAP HR India Payroll Book. I have tried my Best to give you more information with the screenshot and for some confidential reason I have Graded out some details in the book (not necessary details). I have made an attempt to write the Book in a Lay Man Language and should be taken as a Reference Guide to all walks of life - SAP USER can easily digest it. This book is for all SAP USER who wants to know and learn about SAP. This Book will help you in moving forward and give you a good reference to know more about SAP. This Book should be only for Reference purposes.
