Perfect people don't exist. Sometimes people need to be told it. Niall Horan. 6 Share This is the way I think about politics: We want two diametrically opposed things from a politician. On one hand we want them to be bastions of moral integrity, perfect people, saints. And on the other hand, we want them to be effective leaders.

If it was the only way of having a child... would you do it? An unputdownable thriller from the global Number One bestseller author of the Roy Grace series. After the tragic loss of their young son to a rare genetic disorder, John and Naomi discover they both carry a rogue gene. Having another child by conventional means is too much risk to bear. When they find geneticist Dr Leo Dettore it seems like the answer to their prayers. Every aspect of the child can be chosen and manufactured, from height and eye colour to intelligence and sporting prowess. But realising the danger too late, Naomi is already pregnant when they understand the nightmare world they are entering... A world of perfect people. Utterly gripping and frighteningly plausible, Perfect People is a shocking thriller you won't be able to put down about what happens when humans play God. Praise for Perfect People 'Peter James's clever page-turner Perfect People focuses not on the past but risks for the future.' The Times 'As ever, James writes beautifully, maintaining the pace with short, punchy chapters. But it's his firm grasp of the moral issues surrounding designer babies that makes Perfect People so satisfying – and so unsettling.' Guardian 'James has produced a suitably breathless fan-pleaser about accelerating evolution.' Daily Telegraph 'The ending is so horrifyingly scary that I was unable to sleep properly for several nights.' Mail on Sunday

NAMED THE #1 BEST BOOK OF THE YEAR BY THE CHRISTIAN SCIENCE MONITOR, A WITTY, INFORMATIVE, AND POPULAR TRAVELOGUE ABOUT THE SCANDINAVIAN COUNTRIES AND HOW THEY MAY NOT BE AS HAPPY OR AS PERFECT AS WE ASSUME Journalist Michael Booth has lived among the Scandinavians for more than ten years, and he has grown increasingly frustrated with the rose-tinted view of this part of the world offered up by the Western media. In this timely book he leaves his adopted home of Denmark and embarks on a journey through all five of the Nordic countries to discover who these curious tribes are, the secrets of their success, and, most intriguing of all, what they think of one another. Why are the Danes so happy, despite having the highest taxes? Do the Finns really have the best education system? Are the Icelanders as feral as they sometimes appear? How are the Norwegians spending their fantastic oil wealth? And why do all of them hate the Swedes? In *The Almost Nearly Perfect People* Michael Booth explains who the Scandinavians are, how they differ and why, and what their quirks and foibles are, and he explores why these societies have become so successful and models for the world. Along the way a more nuanced, often darker picture emerges of a region plagued by taboos, characterized by suffocating parochialism, and populated by extremists of various shades. They may very well be almost nearly perfect, but it isn't easy being Scandinavian.

Perfect People Skills helps you to deal with other people effectively and how to be aware of your own behaviour too. Differences of direction and motivation, personality, ethnic group, gender, class and ability can all bring problems, as well as those challenges presented by 'difficult types'. The author provides some powerful ideas for preventing people problems, resolving conflict and building harmonious homes and workplaces. The book is comprehensive and yet concise and to-the-point. It is written in simple, clear language and is designed to be of immediate, practical benefit to readers in developing better relationships at work and outside work. Chapters include advice on: Grounding, Listening, Questioning, Empathising, Speaking, Negotiating, Proposing, Counselling, Confronting and Preventing. The Perfect series is a range of practical guides that give clear and straightforward advice on everything from finding your first job to choosing your baby's name. Written by experienced authors offering tried-and-tested tips, each book contains all you need to get it right first time.

How do we live out the message of Jesus in today's ever-changing culture?The church is facing its greatest challenge—and its greatest opportunity—in our postmodern, post-Christian world. God is drawing thousands of spiritually curious “imperfect people” to become his church—but how are we doing at welcoming them?No Perfect People Allowed shows you how to deconstruct the five main barriers standing between emerging generations and your church by creating the right culture. From inspiring stories of real people once far from God, to practical ideas that can be applied by any local church, this book offers a refreshing vision of the potential and power of the Body of Christ to transform lives today.“We now are living in a post-Christian America—and that means we must be rethinking ministry through a missionary mindset. What makes this book both unique and extremely helpful is that it is filled with real-life stories of post-Christian people becoming followers of Jesus—not just statistics or data about them.” Dan Kimball, Author, *The Emerging Church*. . . John's 'get it' factor with people, lost or found, is something to behold! Reading this book filled me with optimism regarding the next generation of pastors and faith communities . . . "Bill Hybels, Senior Pastor, Willow Creek Community ChurchNo Perfect People Allowed is a timely and necessary word for church leaders in a post Christian culture. John Burke serves up quite a tasty meal full of the rich nutrients that will strengthen the Body of Christ. Randy Frazee, Senior Pastor, Pantego Bible Church; Author, *The Connecting Church and Making Room for Life*

A lively travelogue investigation into the five Nordic countries explores popular misconceptions about their idyllic educational systems, wealth and overall happiness to consider if they actually provide successful models for living.

This book is a selection of semi-autobiographical snapshots and musings presented as what most would call pictures and poems. However according to their creator, self-described “humanaut”, L. W. Loew, what they actually are can only be decided by each individual who perceives them. Dedicated to all “people”, it proposes that as a race, we are more than highly evolved biological entities accidentally imbued with self-awareness and, that despite our human nature, are “perfect” just the way we are. What context would allow such a seemingly ridiculous idea would be for the reader to figure out, along with the true nature of the offerings of this book. Regardless of the reader's conclusion, it is Loew's intention to convey through the entirety of this collection the timeless messages that no one is ever truly alone and

that something brighter is always within reach. This is a book for anyone who enjoys word play, reading between the lines and seeing poetry and art in the everyday.

Tom Bryce does what any decent person would do. He picks up a CD left behind on the train seat next to him, and attempts to return it to its owner. But he soon becomes the sole witness to a vicious murder. His young family is threatened with their lives if he goes to the police. Supported by his wife, Kellie, he bravely makes a statement to the murder enquiry team headed by Detective Superintendent Roy Grace, a man with demons of his own—including his missing wife—to contend with. And from that moment, the killing of the Bryce family becomes a mere formality—and a grisly attraction. Kellie and Tom's deaths have already been posted on the internet. You can log on and see them on a website. They are looking good dead. Looking Good Dead is another chilling page-turner in Peter James' bestselling mystery series.

The author of The Perfect Recipe shares the secrets of fine entertaining while presenting two hundred of her favorite recipes, all adapted for large numbers of guests, along with a selection of more than one hundred mix and match accompaniments, from appetizers to desserts, helpful shortcuts, make ahead preparation, serving suggestions, and variations.
