Professional camcorders are a separate section in the photography world, which has made its niche just like professional SLR cameras. Video recorders have gone through a revolution which started in the 90's, with large and bulky VHS camcorders to small and compact home digital camcorders available today. The rise of digital recording greatly impacted pro video cameras and now photographers are able to get high quality video cameras at an affordable cost.

You'll always have an up-to-date reference on camera gear right at your fingertips. Here are just some of the topics covered in the book: What should my first camera be? Which lens should I buy? Should I buy Canon, Nikon, or Sony? Is a mirrorless camera or a DSLR better for me? Do I need a full frame camera? Is it safe to buy generic lenses and flashes? What's the best landscape photography gear? Which portrait lens and flash should I buy? What gear do I need to photograph a wedding? How can I get great wildlife shots on a budget? Which sports photography equipment should I purchase? Should I buy zooms or primes? Is image stabilization worth the extra cost? Which type of tripod should I buy? Which wireless flash system is the best for my budget? How can I save money by buying used? What kind of computer should I get for photo editing? What studio lighting equipment should I buy? When you buy this book, you'll be able to immediately read the book online. You'll also be able to download it in PDF, .mobi, and .epub formats--every popular format for your computer, tablet, smartphone, or eReader!

We're in the midst of a digital media-making revolution--and the Canon Vixia G10 and XA10 camcorders are at the forefront. Blurring the line between "prosumer" and professional, the G10 and XA10 are sharper, cleaner, more compact, more portable, and boast more professional features than any prior palm-sized camcorder in their price range. This book is a comprehensive field guide to the concepts, strategies, equipment, and procedures for achieving the best results possible with Canon's top-of-the-line palm-sized camcorders. The guide focuses on the specific features of the Canon Vixia HF G10 and XA10, but users of other camcorders in the Vixia series, the Legria series (shooting PAL), and other camcorders will find a wealth of relevant information. With a high-definition palm-sized camcorder such as the Canon Vixia G10 or XA10, your potential is limited only by your imagination and your resourcefulness.

Since 2013 CSCs have been the fastest growing segment of the non- cellphone camera market. For travellers, in particular, they are starting to replace entry-level DSLRs and also becoming popular among professional photographers. This guide provides easy to follow advice on why, when and how to use a Compact System Camera: - How to choose the right CSC and lenses for your photography; How to master the key camera controls; - Handy tips on everything from shooting modes, framing, focusing, sensitivity, colour controls, and video recording, right through to editing and sharing your photos.

490 million people log on to YouTube each month--and business owners need to know how to capture them or better yet, be the initial reason for their visit. Jason Rich shares the expertise of practicing entrepreneurs, delivering a step-by-step strategy supported by valuable insights, tips, and resources. From video production to promotion, author Jason R. Rich details how to use the power of YouTube to promote business brands, products, or services, ultimately attracting new customers. Unfamiliar entrepreneurs receive a full tutorial on pre-production and production essentials, from developing video ideas that attract attention to overcoming lighting and sound challenges. Amateur producers receive a full list of equipment needed, and they gain tips from well-known YouTube users on how to produce quality spots without breaking the bank. After covering the basics, Rich - joined by YouTube-savvy entrepreneurs - reveals how small business owners can drive viewers to contact their business. Rich also shows entrepreneurs how they can make money, while promoting themselves.
