speaking, a description of the operation of adding infinitely many quantities, one after the other, to a given starting quantity. The study of series is a major part of calculus and its generalization, mathematical analysis. Series are used in most areas of mathematics, even for studying finite structures (such as in combinatorics) through generating functions.

'Six' Canceled at History After Two Seasons -
Variety

Six Tudor Queens: Writing a New Story is an introduction to the Six Tudor Queens series by eminent historian Alison Weir. The lives of Henry VIII's queens make for dramatic stories that will offer insights into the real lives of the six wives based on extensive research and new theories that will captivate fans of Philippa Gregory and readers who lost their hearts (but not their heads) to the majestic world of Wolf Hall.
