Crafty kids love to show off what they make, and what better way to do that than to wear their own one-of-a-kind handmade clothes! The authors of the best-selling and much-acclaimed Sewing School® series are back with a complete course in sewing clothes, specially designed for kids aged 8 to 12. Starting with the basics, Sewing School® Fashion Design teaches kids how to make three essential garments: a top, a pair of shorts, and a skirt, and then encourages them to build their skills and customize each piece with options for changing the neckline or sleeve length and adding their own decorative touches. With step-by-step photos and actual kid-created examples, the approach is friendly and forgiving — no fussy fitting or difficult techniques. All the necessary pattern pieces are included for a wide range of sizes and body types, along with guidance on selecting fabric, cutting accurately, and adjusting the fit. With a wardrobe of their own making, kids will feel great about what they wear!

“A charming introduction to the thrill of creating something with fabric and thread . . . Great for aspiring sewists of all ages!” (Gretchen Hirsch, author of *Gertie’s New Book for Better Sewing*) Sewing is a skill that’s both fun and functional, and there’s no better way to get started than with jolly Miss Patch! She learns how to thread a needle, cut patterns, and sew a fine seam by hand. With the help of Miss Patch, and the book’s many diagrams and amusing drawings, beginning sewists can learn to make a pillow, a bag, a patchwork quilt, an apron, and even simple clothes. Originally published in 1969, this is a timeless introduction to the pleasures of sewing. “Overall, this book was nicely put together and included an introduction to sewing which was

perfect for young girls and boys . . . It was creative and fun to look through.” —Sweetly Made (Just for You)

The best-selling authors of the Sewing School® series are back, introducing kids to the creativity of stitching patchwork, appliqué, and quilts. Using dynamic how-to photos and step-by-step instructions written for ages 8 to 12, Amie Petronis Plumley and Andria Lisle teach a variety of techniques using both hand and machine sewing. The 15 projects range from decorative to practical, including an appliquéd family crest wall hanging, a patchwork pet bed, a crazy-quilt journal cover, and a quilt made from recycled T-shirts. Every project features encouraging suggestions for making truly one-of-a-kind items that express the creative spirit of each young maker.

A beginner’s guide and visual dictionary for young people who want to learn to sew, packed with photos: “Some of the coolest projects we've seen.”—Kiki Magazine With this book by Sophie Kerr—with some help from her parents, Weeks Ringle and Bill Kerr of Modern Quilt Studio—kids can learn how to navigate a sewing machine, make smart fabric choices, and use basic sewing tools. Sixteen kid-friendly projects run the gamut from clothes to bags to accessories, while clear, step-by-step instructions walk kids through the creation of each. Throughout the book, tips from Sophie offer design and construction advice from a kid's perspective—and move from simpler to more complex projects as kids' skills develop. The book "grows" with the sewist, offering more complex project as the reader's skills develop. It also functions as a visual dictionary of tools, materials, and terms that will be a go-to reference for young sewists.
