His short stories often depicted exceptional circumstances and critical moments in the lives of everyday Bengali people, be they rich or poor, men or women, and even living or dead. Throughout his short stories, Tagore engages themes of domestic roles, the supernatural, and class. Sometimes these stories have conclusive endings with clear morals, and sometimes they're wry or mysterious parables that don't seem to end or have any direct message.

The three stories in the anthology—The Skeleton, Forsake, and The Solemn Vision—are some of Tagore's less popular works. bard is making fun of his characters, and critiquing them and the society at large, all together. Themes of caste oppression; oppression and objectification of women, making them pawns in a bigger, more selfish scheme of things wander in each of the stories. But at the same time each of these stories are subtly subversive. The people who inhabit this universe act according to their age. And yet, very often they mildly disrupt the set ways and patterns and bear the consequences.
