This resource for teachers presents practical classroom strategies for teaching middle and high school students who struggle as readers and writers. Particular emphasis is placed on classroom management and preliminary steps to take during the first few days and weeks of class.

Because of the emphasis placed on nonfiction and informational texts by the Common Core State Standards, literature teachers all over the country are re-evaluating their curriculum and looking for thoughtful ways to incorporate nonfiction into their courses. They are also rethinking their pedagogy as they consider ways to approach texts that are outside the usual fare of secondary literature classrooms. The Third Edition of Critical Encounters in Secondary English provides an integrated approach to incorporating nonfiction and informational texts into the literature classroom. Grounded in solid theory with new field-tested classroom activities, this new edition shows teachers how to adapt practices that have always defined good pedagogy to the new generation of standards for literature instruction. New for the Third Edition: A new preface and new introduction that discusses the CCSS and their implications for literature instruction. Lists of nonfiction texts at the end of each chapter related to the critical lens described in that chapter. A new chapter on new historicism, a critical lens uniquely suited to interpreting nonfiction and informational sources. New classroom activities created and field-tested specifically for use with nonfiction texts. Additional activities that demonstrate how informational texts can be used in conjunction with traditional literary texts. "What a smart and useful book!" —Mike Rose, University of California, Los Angeles " [This book] has enriched my understanding both of teaching literature and of how I read. I know of no other book quite like it." —Michael W. Smith, Temple University, College of Education " I have recommended Critical Encounters to every group of preservice and practicing teachers that I have taught or worked with and I will continue to do so." —Ernest Morrell, director of the Institute for Urban and Minority Education (IUME), Teachers College, Columbia University

With 50% new material reflecting current research and pedagogical perspectives, this indispensable course text and teacher resource is now in a thoroughly revised third edition. Leading educators provide a comprehensive picture of reading, writing, and oral language instruction in grades 5–12. Chapters present effective practices for motivating adolescent learners, fostering comprehension of multiple types of texts, developing disciplinary literacies, engaging and celebrating students' sociocultural assets, and supporting English learners and struggling readers. Case examples, lesson-planning ideas, and end-of-chapter discussion questions and activities enhance the utility of the volume. New to This Edition "Chapters on new topics: building multicultural classrooms, Black girls' digital literacies, issues of equity and access, and creating inclusive writing communities. "New chapters on core topics: academic language, learning from multiple texts, and reading interventions. "Increased attention to issues of diversity, equity, and inclusion. "The latest knowledge about adolescents' in- and out-of-school literacies.

This award-winning book continues to resonate with teachers and inspire their teaching because it focuses on the joy of reading and how it can engage and even transform readers. In a time of next generation standards that emphasize higher-order strategies, text complexity, and the reading of nonfiction, "You Gotta BE the Book" continues to help teachers meet new challenges including those of increasing cultural diversity. At the core of Wilhelm's foundational text is an in-depth account of what highly motivated adolescent readers actually do when they read, and how to help struggling readers take on those same stances and strategies. His work offers a robust model teachers can use to prepare students for the demands of disciplinary understanding and for literacy in the real world. The Third Edition includes new commentaries and tips for using visual techniques, drama and action strategies, think-aloud protocols, and symbolic story representation/reading manipulatives. Book Features: A data-driven theory of literature and literary reading as engagement. A case for undertaking teacher research with students. An approach for using drama and visual art to support readers' comprehension. Guidance for assisting students in the use of higher-order strategies of reading (and writing) as required by next generation standards like the Common Core. Classroom interventions to help all students, especially reluctant ones, become successful readers.
