The British Patent System during the Industrial Revolution ...

During the 1850s the British patent system was subject to major reforms. As part of the reforms, English patents granted between 1617 and 30 September 1852 were identified from the Rolls, sorted into chronological order and then numbered in a single continuous sequence. The sequence runs from GB1 of 1617 to GB14359 of September 1852.
