Field quickly surmises that these crimes are connected to an even more sinister plot. Was Victoria really the assassin's target? Are those closest to the Crown hiding something? And who is the shadowy figure witnesses describe as having lifeless, coal-black eyes? Soon, Field's investigation exposes a shocking conspiracy in which the publication of Charles Darwin's controversial *On the Origin of Species* sets off a string of murders, arson, kidnapping, and the pursuit of a madman named the Chorister. As the investigation takes Field from the dangerous alleyways
