"Lilian Girvan, the central character of The Garden of Small Beginnings, is an illustrator, a mother, a sister, a budding gardener, and a widow, and her perspective on how she's doing with each role doesn't always match up with what readers can see around her. But that trait makes her a more interesting and realistic protagonist, and along with the book's humor and eccentric supporting cast made it a great read."—BookRiot

The Garden of Small Beginnings is women's fiction with light romantic elements. It's a poignant look at a young widow raising her two equally young daughters, but still grappling with "moving on" four years after her husband's death. Although a deep and sad subject matter, the book is infused with humor.

Grief, Gardening, and Great Humor! To be honest, I wasn't quite sure what to expect when I read the synopsis for this book. I've read books that have dealt with the grief process, how to books on gardening, and light, entertaining books full of great wit and snarky dialogue. But the thought of all these things put together in a coherent, entertaining format seemed a little far-fetched.

About Abbi Waxman Abbi Waxman, the author of The Bookish Life of Nina Hill, Other People's Houses, and The Garden of Small Beginnings, is a chocolate-loving, dog-loving woman who lives in Los Angeles and lies down as much as possible. She worked in advertising for many years, which is how she learned to write fiction.

Lilian Girvan has been a single mother for three years, ever since her husband died in a car accident. One mental breakdown and some random suicidal thoughts later, she's just starting to get the hang of this widow thing. She can now get her two girls to school, show up to work, and watch TV like a pro. At least her textbook illustrating job has some perks, like that vegetable-gardening class her boss signed her up for. Apparently being the chosen illustrator for a series of boutique vegetable guides means getting your hands dirty, literally.

"A quirky, funny, and deeply thoughtful book"* that's "filled with characters you'll love and wish you lived next door to in real life"* from the author of The Bookish Life of Nina Hill. Lilian Girvan has been a single mother for three years—ever since her husband died in a car accident. One mental breakdown and some random suicidal thoughts later, she's just starting to get the hang of this widow thing. She can now get her two girls to school, show up to work, and watch TV like a pro. The only problem is she's becoming overwhelmed with being overwhelmed. At least her textbook illustrating job has some perks—like actually being called upon to draw whale genitalia. Oh, and there's that vegetable-gardening class her boss signed her up for. Apparently, being the chosen illustrator for a series of boutique vegetable guides means getting your hands dirty, literally. Wallowing around in compost on a Saturday morning can't be much worse than wallowing around in pajamas and self-pity. After recruiting her kids and insanely supportive sister to join her, Lilian shows up at the Los Angeles botanical garden feeling out of her element. But what she'll soon discover—with the help of a patient instructor and a quirky group of gardeners—is that into every life a little sun must shine, whether you want it to or not... 'A feel-good, hate-to-put-it-down, kind of book!' ChickLit Central Life is about to blossom for Lili . . . In the three years since her husband died in a car accident, Lili has just about managed to resume her day-to-day life as a single mother and successful illustrator. She can now get her two girls to school, show up to work and watch TV like a pro. But there's still the small problem of the aching loss she feels inside. When she's commissioned to illustrate a series of horticultural books, and signs up to a weekly gardening class, finally her life starts to bloom again. The class provides Lili with a new network of unexpected friends - friends with their own heartaches and problems - and, maybe, another chance at love . . . 'Like a conversation with the funniest person you know - just lovely' Katie Fforde ____ Fans of Jojo Moyes, Lucy Diamond and Wilde Like Me will fall in love with this gloriously funny and uplifting novel about friendship, love and grabbing life by the roots. 'A cosy, life-affirming read' Cathy Hopkins 'Witty, uplifting and unashamedly honest' Heidi Swain 'Funny and uplifting' Good Housekeeping 'Filled with characters you'll love and wish you lived next door to in real life' Bustle 'Waxman's voice is witty, emotional and often profound' InStyle 'A quirky, funny, and deeply thoughtful book' hellogiggles 'Abbi Waxman is both irreverent and thoughtful' Emily Giffin, author of First Comes Love

"Abbi Waxman is both irreverent and thoughtful."—#1 New York Times bestselling author Emily Giffin The author of The Garden of Small Beginnings returns with a hilarious and poignant new novel about four families, their neighborhood carpool, and the affair that changes everything. At any given moment in other people's houses, you can find...repressed hopes and dreams...moments of unexpected joy...someone making love on the floor to a man who is most definitely not her husband... *record scratch* As the longtime local carpool mom, Frances Bloom is sometimes an unwilling witness to her neighbors' private lives. She knows her cousin is hiding her desire for another baby from her spouse, Bill Horton's wife is mysteriously missing, and now this... After the shock of seeing Anne Porter in all her extramarital glory, Frances vows to stay in her own lane. But that's a notion easier said than done when Anne's husband throws her out a couple of days later. The repercussions of the affair reverberate through the four carpool families--and Frances finds herself navigating a moral minefield that could make or break a marriage.

"Nina Hill's life may not seem like much, but for a person battling anxiety, it's more than enough. She enjoys her job at a bookstore and her small circle of friends. Until a visit from a lawyer changes everything... The father that Nina never knew existed has died, leaving behind an enormous extended family. Nina now has innumerable sisters, brothers, nieces, nephews, and cousins all living within a twenty-mile radius--some welcoming and some not so welcoming, but all demanding her attention. If that's not enough, Nina's talent for worrying is taking the thrill out of falling in love. Tom, a fellow trivia nerd--who's totally into her--is obviously too good to be true. Everything is moving too fast for Nina. Caught in a whirlwind of new people, emotions and experiences, she feels the need to protect herself. But maybe opening her world--and her heart--is a risk worth taking"--

Poland, 1906: on a cold spring night, in the small Jewish cemetery of Zokof, Friedl Alterman is wakened from death. On the ground above her crouches Itzik Leiber, a reclusive, unbelieving fourteen-year-old whose fatal mistake has spurred the town's angry residents to violence. The childless Friedl rises to guide him to safety -- only to find she cannot go back to her grave. Now Friedl is trapped in that thin world between life and death, her brash decision binding her forever to Itzik and his family: she is fated to be forever restless, and he, forever haunted by the ghosts of his past. Years later, after Itzik himself has gone to his grave, his son, Nathan, knows nothing of his bitter father's childhood. When he begrudgingly goes to Poland on business, Nathan decides on a whim to visit his ancestral town. There, in Zokof, he meets the mysterious Rafael, the town's last remaining Jew, who promises to pass on all the things Itzik had failed to teach his son - about Zokof, about his faith, and about himself.

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of The Ministry of Utmost Happiness NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, The God of Small Things is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.
