ISBN: 978-1-63286-078-1. In his book, *The Health Gap: The Challenge of an Unequal World*, Michael Marmot develops his already famous and important argument on the impact that societies' socio-economic characteristics have on the health of their populations. Presenting a study aimed at a wide range of readers, beyond the barriers of the academic and scientific community, Marmot seeks to answer this broad question: "what we can do to improve people's lives?"
