The Report Card is a children's novel by Andrew Clements, first published in 2004. The story is narrated by a 5th-grade girl, Nora Rose Rowley. Nora is secretly a genius but does not tell anyone for fear that she will be thought of as "different". Plot summary. 9 year old Nora was a disgrace to her entire family, To disguise her intellect, Nora observes and emulates her classmates so she doesn ...

The Report Card - Wikipedia

A report card, or just report in British English, communicates a student 's performance academically. In most places, the report card is issued by the school to the student or the student's parents once to four times yearly. A typical report card uses a grading scale to determine the quality of a student's school work.

Nora Rose Rowley is a genius, but don't tell anyone. Nora's managed to make it to the fifth grade without anyone figuring out that she's not just an ordinary kid, and she wants to keep it that way. But then Nora gets fed up with the importance everyone attaches to test scores and grades, and she purposely brings home a terrible report card just to prove a point. Suddenly the attention she's successfully avoided all her life is focused on her, and her secret is out. And that's when things start to get really complicated....

What is a charter school? Where do they come from? Who promotes them, and why? What are they supposed to do? Are they the silver bullet to the ills plaguing the American public education system? This book provides a comprehensive and accessible overview and analysis of charter schools and their many dimensions. It shows that charter schools as a whole lower the quality of education through the privatization and marketization of education. The final chapter provides readers with a way toward rethinking and remaking education in a way that is consistent with modern requirements. Society and its members need a fully funded high quality

public education system open to all and controlled by a public authority.

To better serve the whole child, look at the whole report card. Although parents and teachers spend more time in conferences talking about behavior than they do about rubrics and test scores, too many teachers are still guessing when it comes to using outdated behavior ratings and comments to describe the whole child. With this book, you'll take report cards to the next level, integrating social-emotional learning and character development into any grading system. Resources include Guided exercises for analyzing existing report cards Suggested report card designs Tips on improving teacher-parent communication Case studies Testimonials from teachers and students

Thoughtful and constructive report card comments can improve parent-teacher communication and student performance. Each book features hundreds of ready-to-use comments in a variety of specific areas in academic performance and personal development. General messages are also included, as well as a robust list of helpful words and phrases.

Author John Shtino's near-death experience moved him to try to get several projects left hanging completed. Life's Report Card: The Trying Game is one of them. He believes that most talents are inherited with the recipient either using or squandering their talent. Many of his poems deal with love lost, mental illness, compulsive gambling, philosophy and chances not taken (the what ifs of life). In Dear Son, he writes I hope ... that roads not traveled do not haunt you. --iUniverse, Inc.

Providing a clear framework, this volume helps school leaders align assessment and reporting practices with standards-based education and develop more detailed reports of children's learning and progress.

This book presents everything needed to design and implement daily behavior report cards (DRCs), a flexible and dynamic system for promoting positive student behaviors and overcoming barriers to learning. DRCs offer a way to reward K-12 students for achieving clearly defined goals while building school-home collaboration. Teachers can implement the authors' evidence-based approach in just minutes a day, and it is fully compatible with multi-tiered systems of support. In a large-size format with lay-flat binding for easy photocopying, the book includes helpful reproducible forms. Purchasers get access to a companion Web page featuring printable copies of the reproducible materials plus additional useful tools for charting student progress. This book is in The Guilford Practical Intervention in the Schools Series.

When his older brother gets in serious trouble, sixth-grader Clay decides to change his own mischief-making ways, but he cannot seem to shake his reputation as a troublemaker.

Come for a visit in Bear Country with this classic First Time Book® from Stan and Jan Berenstain. Papa and Mama are not happy with Brother's report card and won't let him play soccer until he gets better grades. Will Brother ever be able to get back on the field? This beloved story is a perfect way to teach children about personal responsibility and asking for help if they need it.

Having written a scathing essay about her disgust with the government's standardized testing process, Jainey skips her final weeks of high school, while part-time test scorer Charlie reads Jainey's essay and recognizes her as a person needing help.
