datacenterdynamics.com

As expected, the fourth volume of the Thump label's popular Old School series bounces across three decades for its material, and listening from beginning to end isn't that much different from using a shuffle button,

Where To Download The School Volume 4

but the selections are too consistently strong to be discounted. Since Thump started this series, dozens of labels have covered roughly the same territory, often without coming close to the excellence shown throughout this series.

When artist PJ Harper was a wee boy
growing up in Scotland he was
obsessed with Barbies. His parents
were never bothered about him
playing with “ girls ” toys, though..

Where To Download The School Volume 4

His fascination with figurines extended as far as sculptures – he was hypnotised by the physicality of 3 D objects that look like people.
