The Story of Art focuses mostly on European art, and mostly on painting. The author is quite up-front about this: he emphasizes European art because that's what he has seen most of, and because the book is already quite long enough. He includes mostly paintings because, he says, they lose least when rendered as photographs on the printed page.

The Story of Art: Gombrich, E.H.: 9780714832470: Amazon ...

The Story of Art, by E. H. Gombrich, is a survey of the history of art from ancient times to the modern era. First published in 1950 by Phaidon, the book is widely regarded both as a seminal work of criticism and as one of the most accessible introductions to the visual arts. It was originally intended for younger readers.

The Story of Art - Wikipedia

'The Story of Art was the first history of art which I read as a 19-year-old student. It was a revelation and I could not put it down. It pushed open the door on some of the greatest achievements of the human spirit. Written with love and scholarship, clarity and insight, it stands as a classic cornerstone in any appreciation of art.'

The Story of Art: Chapter 1 — Prehistoric and Primitive People [In the past paintings and statues] were not thought of as mere works of art but as objects which had a definite function (p.37). This was a rather interesting approach as up to this point I had seen paintings and statues only as, well, works of art.

The Story of Art (豆瓣)

The Story of Art book. Read 929 reviews from the world's largest community for readers. This text is the 16th revised and updated edition of this introdu...

"The Story of Art is one of the most famous and popular books on art ever published. For 45 years it has remained unrivalled as an introduction to the whole subject, from the earliest cave paintings to the experimental art of today. Readers of all ages and backgrounds throughout the world have found in Professor Gombrich a true master, who combines knowledge and wisdom with a unique gift for communicating directly his own deep love of the works of art he describes." "The Story of Art owes its lasting popularity to the directness and simplicity of the writing, and also the author's skill in presenting a clear narrative. He describes his aim as 'to bring some intelligible order into the wealth of names, periods and styles which crowd the pages of more ambitious works', and using his insight into the psychology of the visual arts, he makes us see the history of art as 'a continuous weaving and changing of traditions in which each work refers to the past and points to the future, a living chain that still links our own time with the Pyramid age'. In its new format, the 16th edition of this classic work is set to continue its triumphant progress for future generations and to remain the first choice for all newcomers to art."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Now, for the first time, this Luxury Edition is the ultimate gift purchase for all art lovers — a perfect keepsake to treasure, and to inspire future generations.

Stories of Art is James Elkins's intimate history of art. Concise and original, this engaging book is an antidote to the behemoth art history textbooks from which we were all taught. As he demonstrates so persuasively, there can never be one story of art. Cultures have their own stories - about themselves, about other cultures - and to hear them all is one way to hear the multiple stories that art tells. But each of us also has our own story of art, a kind of private art history made up of the pieces we have seen, and loved or hated, the effects they had on us, and the connections that might be drawn among them. Elkins opens up the questions that traditional art history usually avoids. What about all the art not produced in Western Europe or in the Europeanized Americas? Is it possible to include Asian art and Indian art in 'the story'? 'What happens when one does?' To help us find answers, he uses both Western and non-Western artworks, tables of contents from art histories written in cultures outside the centre of Western European tradition, and strangely wonderful diagrams of how artworks might connect through a single individual. True multiculturalism may be an impossibility, but art lovers can each create a 'story of art' that is right for themselves.

Great art movements and the paintings that inspired them The Illustrated Story of Art is an innovative approach to understanding the history of art, from cave painting to the modern day, with pivotal works of art examined in the context of history, culture and the lives of their creators. This invaluable art reference book reveals the creative impulse behind every major art movement, from the Renaissance to Surrealism and abstract to pop art, with a visual timeline to show famous paintings and key events. Turning-point paintings that triggered movements are identified and explained as well as the influences behind the famous artworks such as technical advances, admired techniques of earlier artists, and changes in society. So you'll learn why Boudin's Beach Scene inspired the impressionist movement and why Monet's Grainstacks defined it. Vivid images of artistic masterpieces from each style and a glossary of terms make this an indispensable work of reference. Covering the evolution of each major art genre as well as featuring the famous paintings that ignited new artistic movements, The Illustrated Story of Art presents the history of art in a visually stunning way, that is perfect for art-lovers, exhibition-goers and anyone who appreciates great art.

The definitive survey of Western art is now available in a deluxe, one-volume slipcased edition, bound in rich cloth and stamped in gold foil. 1,243 illustrations, 736 in color. 111 line drawings. 12 maps.

The Short Story of Art is a new and innovative introduction to the subject of art. Simply constructed, the book explores 50 key works, from the wall paintings of Lascaux to contemporary installations, and then links these to sections on art movements, themes, and techniques. The design of the book allows the student or art enthusiast to easily navigate their way around key periods, artists and styles. Accessible and concise, it simplifies and explains the most important and influential concepts in art, and shows how they are linked. The book explains how, why, and when art changed, who introduced certain things, what they were, where they were produced, and whether they matter. It demystifies artistic jargon, giving readers a thorough understanding and broad enjoyment of art.

A charmingly illustrated book packed with the best-loved paintings in the National Gallery, London. Includes amazing stories behind the paintings, about the lives of the artists and how they worked, and internet links to find out more. Fantastic for budding art critics. This lovely haardcover picture book is also available in paperback, with stickers to recreate the artworks (ISBN 9780746099995)

"Verde's unique style and simple yet increasingly important messages of peace, mindfulness, and community make her stories a must-share...A must-purchase." —School Library Journal (starred review) "Walls do not just create barriers and divide spaces. They can be canvases for artmaking; opportunities to shape a community." —The Horn Book "This story of urban renewal sends a welcome double message by Verde: neighbors and neighborhoods are more than the way they look, and ordinary people can band together to transform big things." —Publishers Weekly A boy takes on a community art project in order to make his neighborhood more beautiful in this empowering and inspiring picture book by Susan Verde, stunningly illustrated by award-winning artist John Parra. One creative boy. One bare, abandoned wall. One BIG idea. There is a wall in A neighborhood. Around it, the community bustles with life: music, dancing, laughing. Not the wall. It is bleak. One boy decides to change that. But he can't do it alone. Told in elegant verse by Susan Verde and vibrantly illustrated by John Parra, this inspiring picture book celebrates the power of art to tell a story and bring a community together.
