profound and fascinating of Shakespeare's late comedies. Prospero, long exiled from Italy with his daughter Miranda, seeks to use his magical powers to defeat his former enemies.

"Shakespeare's valedictory play is also one of his most poetical and magical. The story involves the spirit Ariel, the savage Caliban, and Prospero, the banished Duke of Milan, now a wizard living on a remote island who uses his magic to shipwreck a party of ex-compatriots. This extensively annotated version of The Tempest makes the play completely accessible to readers in the twenty-first century."

"Linguist and translator Burton Raffel offers generous help with vocabulary, pronunciation, and prosody and provides alternative readings of phrases and lines. His on-page annotations give readers all the tools they need to comprehend the play and begin to explore its many possible interpretations. Raffel provides an introductory essay, and in a concluding essay, Harold Bloom examines the characters Prospero and Caliban."--BOOK JACKET.

The Tempest is a comedy written by William Shakespeare. It is generally dated to 1610-11 and accepted as the last play written solely by him, although some scholars have argued for an earlier dating. While listed as a

"Shakespeare's last play is a romantic fantasy about a magician who rules over an enchanted island with his daughter. Considered his most beautiful work, it is a rare reflection of his views on life"--Provided by publisher.

humanity with its capacity for love. This extraordinary collection sets the acknowledged genius of poems such as Blake's 'Tyger', Coleridge's 'Kubla Khan' and Shelley's 'Ozymandias' alongside verse from less familiar figures and women poets such as Charlotte Smith and Mary Robinson. We also see familiar poets in an unaccustomed light, as Blake, Wordsworth and Shelley demonstrate their comic skills, while Coleridge, Keats and Clare explore the Gothic and surreal.

Final play in Shakespeare's masterly dramatization of the struggle for power between the Houses of York and Lancaster.
