Are you considering a job switch or a career change? Perhaps you are actively interviewing, but haven't advanced beyond the phone screen or been offered the job. Or maybe just one or two questions always seem to find you at a loss for the right response. Everyone can benefit from developing and keeping interviewing skills in top shape. In this straightforward guide, executive search expert and author of *The 20-Minute Networking Meeting*, Marcia Ballinger, spells out exactly what it takes to win your executive interview. In this book, Marcia reveals: - What really goes on during an executive interview-- from the other side of the desk- How to prepare for different kinds of interviews, and position yourself for success- The very best ways to answer the most common interview questions This practical book gives you the strategy and tools for every interview, and is a must-have for any executive job candidate.

At some point, most people have been caught off guard by tough interview questions. This book helps readers take charge of the situation! In *Acing the Interview*, the employment expert Dr. Phil called "the best of the best" gives job seekers candid advice for answering even the most unexpected questions, including: * You really don't have as much experience as we would like -- why should we hire you? * How many hours in your previous jobs did you have to work each week to get everything done? * What do you consider most valuable -- a high salary, job recognition, or advancement? The book also arms readers with questions to ask prospective employers that could prevent their making a big job mistake: * What would you say are the worst parts of this job? * What are the major problems facing the company and this department? * Why aren't you promoting from within? Taking readers through the entire process, from the initial interview to evaluating a job offer, and even into salary negotiation, *Acing the Interview* is a no-nonsense, take-no-prisoners guide to interview success.

A career handbook for high-level professionals includes resume samples, leadership profiles, and executive profiles, as well as helpful guidelines for working with recruiters, case studies on job-search marketing campaigns, and a section of frequently asked questions. Original.

Interviewing is one of the most effective ways to identify and attract employees who will be successful enough to stay. But few managers are adept at the skill. This book helps eliminate expensive errors of judgment by presenting readers with a set of behaviorally based interviewing strategies. Written by the faculty of the prestigious University of Michigan Executive Education Center--and based on one of their most popular courses--its seven-step "Strategic Interviewing Approach" helps interviewers define the competencies candidates need to possess and make hiring decisions based on accurate predictions of the candidates' performance.

When I was a young manager, I thought I understood the importance of hiring top-notch people. Then, at age 32, I got cancer. Being forced to step away from my co-workers for an extended period of time (with one of the options being stepping away forever) made me realize that the people you hire truly make or break your business. In *Hire Like You Just Beat Cancer*, you'll read short, easy-to-digest chapters filled with detailed examples and time-tested best practices that you can implement immediately at your organization. The lessons I learned when cancer knocked me down helped build me up as a hiring manager, and I apply those lessons aggressively every time I interview a potential employee." AUTHOR JIM RODDY A portion of the proceeds from sales of *Hire Like You Just Beat Cancer* will be donated to: The Kanzius Cancer Research Foundation and the American Cancer Society through Coaches vs. Cancer."
