Ultrafine bubbles (UFBs) are gas-filled bubbles with a diameter smaller than 1 μm . They are sometimes called bulk nanobubbles because these are not on a solid surface but inside a bulk liquid (water). They are already being used in commercial processes such as cleaning and plant cultivation. However, many mysteries still exist with respect to UFBs, such as mechanisms of stability, OH radical formation, and biological and medical effects. This is the first book on UFBs that reviews research done on them. It is helpful for those interested in the fundamentals of this emerging field and its applications, including cleaning, biological, medical, and dental students and researchers.

This book features the history and conservation efforts on 21 identified places on Martha's Vineyard. A map, photos and paintings of these areas accompanies the writings of Tess Bramhall. The book is a journey around the Vineyard intended to inspire conservation and enjoyment.

The second volume of the Wiley series, *Environmentally Conscious Manufacturing* focuses on environmentally preferable approaches to manufacturing. Contributors present and discuss the technologies engineers need to specify and employ to make manufacturing operations environmentally friendly and conform to environmental regulations. Chapters cover Hazardous Waste Minimization and Management; Cost – Effective Manufacturing; Real – time Process Monitoring and Control; Ethics in ECM; Governmental Regulations and Policies, and Total Quality Management. In each chapter case studies are provided to guide readers in areas outside their expertise.

A beautiful and moving one-of-a-kind collection that draws from a variety of Jewish traditions, through the ages, to commemorate every occasion and every passage in the cycle of life, including: Special prayers for the Sabbath, holidays, and important dates of the Jewish year Prayers to mark celebratory milestones, such as bat mitzva, marriage, pregnancy, and childbirth Prayers for companionship, love, and fertility Prayers for healing, strength, and personal growth Prayers for daily reflection and thanksgiving Prayers for comfort and understanding in times of tragedy and loss On the eve of Yom Kippur in 2002, Aliza Lavie, a university professor, read an interview with an Israeli woman who had lost both her mother and her baby daughter in a terrorist attack. As Lavie stood in the synagogue later that evening, she searched for comfort for the bereaved woman, for a reminder that she was not alone but part of a great tradition of Jewish women who have responded to unbearable loss with strength and fortitude. Unable to find sufficient solace within the traditional prayer book and inspired by the memory of her own grandmother ' s steadfast knowledge and faith, Lavie began researching and compiling prayers written for and by Jewish women. *A Jewish Woman ' s Prayer Book* is the result—a beautiful and moving one-of-a-kind collection that draws from a variety of Jewish traditions, through the ages, to commemorate every occasion and every passage in the cycle of life, from the mundane to the extraordinary. This elegant, inspiring volume includes special prayers for the Sabbath and holidays and important dates of the Jewish year; prayers to mark celebratory milestones, such as bat mitzva, marriage, pregnancy, and childbirth; and prayers for comfort and understanding in times of tragedy and loss. Each prayer is presented in Hebrew and in an English translation, along with fascinating commentary on its origins and allusions. Culled from a wide range of sources, both geographically and historically, this collection testifies that women's prayers were—and continue to be—an inspired expression of personal supplication and desire.

their relationship and build a strong marriage. It serves as a bridge between the church and local community by recognizing the need to go beyond the social, as well as physical, walls of the church to help couples with their relationships. Marriage Course is easy to run; the talks are available on DVD (sold separately) and each guest and leader receives a manual. If you enjoy hosting people and have a passion for strengthening family life, you could run a course!

Lutheranism 101 examines Lutheran beliefs and heritage in a fresh way. If you are a lifelong Lutheran searching for more information or new to Lutheranism looking to understand what we believe, this book will be your guide. It is written in a conversational style with short articles, side-bar features, and some humor. Lutheranism 101 helps create a solid foundation of reference upon which a lifetime of sound teaching can be built. Second edition includes: expansions on most topics throughout the book, new essays on the topic of justification and on reading the Bible, expanded section on the history of Lutheranism in North America, new chapters on marriage and prayer, and new smart index.

The Whitstable Pearl series is now coming to TV on 24th May! 'What Colin Dexter did for Oxford, Julie Wassmer is intent on doing for Whitstable' Daily Mail Pearl Nolan always wanted to be a detective but life, and a teenage pregnancy, got in the way of a police career and instead she built up a successful seafood restaurant in her coastal home town of Whitstable - famous for its native oysters. Now, at 39, and with son Charlie away at university, Pearl finds herself suffering from empty nest syndrome . . . until she discovers the drowned body of local oyster fisherman Vinnie Rowe, weighted down with an anchor chain, on the eve of Whitstable's annual oyster festival. Is it a tragic accident, suicide - or murder? Pearl seizes the opportunity to prove her detection skills and discover the truth but she soon finds herself in conflict with Canterbury city police detective, Chief Inspector Mike McGuire. Then another body is discovered - and Pearl finds herself trawling the past for clues, triggering memories of another emotional summer more than twenty years ago . . .
