4 / 5 Stars Undercover is one of my favorite from this author. This is a well done menage story. Unlike others I've read, there's developement between the 3 characters and not just 2 of them as it usually is. The slow-burn helps Nico and Corey to meet Grant halfway their attraction and when they finally are together it's super HOT!

A highly entertaining account of a young woman who went straight from her college sorority to the CIA, where she hunted terrorists and WMDs "A thrilling tale...Walder's fast-paced and intense narrative opens a window into life in two of America's major intelligence agencies" —Publishers Weekly (starred review) When Tracy Walder enrolled at the University of Southern California, she never thought that one day she would offer her pink beanbag chair in the Delta Gamma house to a CIA recruiter, or that she'd fly to the Middle East under an alias identity. The Unexpected Spy is the riveting story of Walder's tenure in the CIA and, later, the FBI. In high-security, steel-walled rooms in Virginia, Walder watched al-Qaeda members with drones as President Bush looked over her shoulder and CIA Director George Tenet brought her donuts. She tracked chemical terrorists and searched the world for Weapons of Mass Destruction. She created a chemical terror chart that someone in the White House altered to convey information she did not have or believe, leading to the Iraq invasion. Driven to stop terrorism, Walder debriefed terrorists—men who swore they'd never speak to a woman—until they gave her leads. She followed trails through North Africa, Europe, and the Middle East, shutting down multiple chemical attacks. Then Walder moved to the FBI, where she worked in counterintelligence. In a single year, she helped take down one of the most notorious foreign spies ever caught on American soil. Catching the bad guys wasn't a problem in the FBI, but rampant sexism was.

Walder left the FBI to teach young women, encouraging them to find a place in the FBI, CIA, State Department or the Senate—and thus change the world.

Drake Donovan is one of the good guys. He spends his life helping people who need it. Being a police officer is all he's ever wanted to be, and there is nothing else that could ever compare. After months of work he finally has a way in to the underground world he's been trying to close down. A trail of dead prostitutes has led him to a chat room and a man called Dreamfixer, but when a late night meeting goes wrong his life changes forever. Ryden Garrick has the life that nightmares are made of. Growing up with a father like his taught him everything he needed to know to run his area in one of Britain's largest crime organisations. Guns, drugs, money laundering, and the area that Ryden excels in, prostitution. Running one of the largest male prostitution rings, one where anything is acceptable, even murder, is where he dedicates most of his time. When Drake discovered the connection with the young dead bodies, all linked with a letter tattooed on their chest, he knew he had to do something. Now standing in front of the elusive Dreamfixer, he knows that life will never be the same. When gathering evidence becomes the last thing he's thinking about he knows that he will have to make a decision. Follow his feelings or stay strong, doing what he was here to do. Now he has to decide between the job he loves and the man who could change everything. Life for Drake was easy before he went Undercover. M/M romance. A dead girl's closest friend goes undercover to unmask a killer Why did Rosaleen Wright hang herself in a soundproof room? She left an unsigned note, peppered with stiff religious references and no trace of her trademark vitality or wit. The police believe it was suicide, but Rosaleen's best friend, Jane, is suspicious. To prove Rosaleen was murdered, she takes a job with the man who killed her. Luther Grandison, Rosaleen's boss, is a New York theatrical impresario with a lethal charm. To the world at large, he's powerful and charismatic, but Rosaleen's letters to Jane described a greedy man who stole from his adopted daughter when his bank account ran low. Jane thinks Grandison killed her to protect his secret, but to prove it she will have to face down one of the finest murderers Broadway has ever seen.

The national bestselling hit hailed by the New York Times as a "vibrant medieval mystery...[it] outdoes the competition." In medieval Cambridge, England, Adelia, a female forensics expert, is summoned by King Henry II to investigate a series of gruesome murders that has wrongly implicated the Jewish population, yielding even more tragic results. As Adelia's investigation takes her behind the closed doors of the country's churches, the killer prepares to strike again.

December 2001: Vince McMahon steps out of a snowy night into a diner in upstate New York for a meeting with old friend Phil Thomson, now a highly placed government official. Thomson has a strange proposition: creating a new covert black-ops group using the Superstars of World Wrestling Entertainment. The WWE's talented men and women are perfect. Highly skilled athletes with the ideal cover, they travel all across the country and the globe; no one would find it unusual to find them in a town one day and gone the next. The government would train and support the wrestlers in every way possible except one: no one must know the truth.

March 2006: The Superstars have been handed their latest assignment -- take down a commercial-grade methyl-amphetamine plant that is bankrolling terrorist activities in Europe. Their mission seems simple and straightforward, until a member of their team is taken prisoner. Now all that they've worked so hard for is in jeopardy, and one of their own might be killed...

"Should delight you whether you're looking for smiles or thrills."—The New York Times Book Review Mrs. Virgil (Emily) Pollifax of New Brunswick, New Jersey, was a widow with grown, married children. Agatha Christie's Miss Marple a rival to reckon with."—Toronto Star

Hattie Lawton was a young Pinkerton detective who with her partner, Timothy Webster, spied for the U.S. Secret Service during the Civil War. Working in Richmond, the two posed as husband and wife. A dazzling blonde from New York and a handsome Englishman, both with checkered pasts, they were matched in charm, cunning, duplicity and boldness. Betrayed by their own spymaster, Allan Pinkerton, they fell into the hands of the dictator of Richmond, the notorious General John H. "Hog" Winder. This lively history, scrupulously researched from all available sources, corrects the record on many points and definitively answers the long-standing question of Hattie Lawton's true identity.

A former crewmember offers a detailed description of the U.S. Navy's top-secret, four-hundred-ton submarine, an expensive, dangerous vessel with a custom-built miniature nuclear reactor designed as a secret weapon during the Cold War. Reprint. 25,000 first printing.

A compulsively readable riff on the classic detective novel from America's most inventive novelist Winner of the National Book Critics Circle Award and a New York Times Notable Book "Utterly original and deeply moving." —Esquire Brooklyn's very own self-appointed Human Freakshow, Lionel Essrog is an orphan whose Tourettic impulses drive him to bark, count, and rip apart our language in startling and original ways. Vincent's Home for Boys, he works for small-time mobster Frank Minna's limo service cum detective agency. Life without Frank Minna, the charismatic King of Brooklyn, would be unimaginable, so who cares if the tasks he sets them are, well, not exactly legal. But when Frank is fatally stabbed, one of Lionel's colleagues lands in jail, the other two vie for his position, and the victim's widow skips town. Lionel's world is suddenly topsy-turvy, and this outcast who has trouble even conversing attempts to untangle the threads of the case while trying to keep the words straight in his head. Motherless Brooklyn is a brilliantly original, captivating homage to the classic detective novel by one of the most acclaimed writers of his generation.
