I would like to welcome you to what will be the first of a series of regular blog posts on the MAM program. We hope that these posts can help prospective students as well as members of the larger Yale community learn about the MAM. The MAM is a new one-year degree program started this year by the Yale School of Management (SOM), open to recent MBA graduates from Global Network

Yale is a wonderful place to begin your career as a physician assistant. We offer exposure to a wide variety of teaching methodologies as well as access to world renowned faculty associated with the School of Medicine.

Welcome to the Yale Physician Associate Program

Of 11 black students registered at Yale in 1908, the article reported, five had won prizes that year. They included two men in Yale College, one in the Law School, one in the Divinity School, and a woman in the School of Music (one of the three Yale schools open to women at that time, along with the School of Art and the Graduate School).

Welcome to a number of chemists who have joined the research group this fall. Kaz Skubi has joined us as a postdoctoral fellow, and aims to synthesize and study new nitrogen-fixing molecules using molecular design skills gained during his Ph.D. with Tehshik Yoon at U. Wisconsin. In addition, we have had three new graduate students join the group.

Welcome | Yale Well

WELCOME! The Graduate Student Assembly is an elected body of Yale students in the Graduate School of Arts and Sciences. The Assembly ' s goals are to identify the needs and concerns of graduate students, consider possible solutions, and present these to the Dean and other administrators. We also discuss, propose, and advise on possible changes to Graduate School policy proposed by the administration.
