In Where Peachtree Meets Sweet Auburn , Gary M. Pomerantz traces five generations of two families -- the Allens, descended from slave owners, and the Dobbses, from slaves. These families produced the two most influential mayors of the modern South, Ivan Allen Jr., and Maynard Jackson Jr. Through hundreds of interviews and five years of painstaking research, Pomerantz shows how the families rose to social, economic, and political prominence.

<i>Where Peachtree Meets Sweet Auburn – Gary M Pomerantz</i>
The intersection of Peachtree Street, historically the residential and commercial street of Atlanta’s white elite, and Sweet Auburn, the spiritual main street of Atlanta’s black community, mirrors the often separate but mutually dependent worlds of whites and blacks in this southern city.

<i>Where Peachtree Meets Sweet Auburn: The Saga of Race And...</i>

There is an intersection in Atlanta where two worlds meet and history unfolds, race relations build and the south sees unprecedented power.

<i>Where Peachtree Meets Sweet Auburn (TV Series) – IMDb</i>
Where Peachtree Meets Sweet Auburn is a 624-page history of a section of Atlanta and four generations of 2 politically prominent Atlanta families, one (the Allens) white and one (the Dobbs) black. At one point a businessman describes a meeting with Mayor Maynard Jr. as follows: "consisted of somebody asking a question and fifty-nine minutes later Maynard’s monologue ended.

<i>Drawn from personal interviews with the players themselves, a chronicle of the 1970s Pittsburgh Steelers, who won an unprecedented and unmatched four Super Bowls in six years.</i>

<i>The New York Times Bestseller Out of the greatest dynasty in American professional sports history, an intimate story of race, mortality, and regret About to turn ninety, Bob Cousy, the Hall of Fame Boston Celtics captain who led the team to its first six championships on an unparalleled run, has much to look back on in contentment. But he has one last piece of unfinished business. The last pass he hopes to throw is to close the circle with his great partner on those Celtic teams, fellow Hall of Famer Bill Russell, now 84. These teammates were basketball's Ruth and Gehrig, and Cooz, as everyone calls him, was famously ahead of his time as an NBA player in terms of race and civil rights. But as the decades passed, Cousy blamed himself for not having done enough, for not having understood the depth of prejudice Russell faced as an African-American star in a city with a fraught history regarding race. Cousy wishes he had defended Russell publicly, and that he had told him privately that he had his back. At this late hour, he confided to acclaimed historian Gary Pomerantz over the course of many interviews, he would like to make amends. At the heart of the story THE LAST PASS tells is the relationship between these two iconic athletes. The book is also in a way Bob Cousy's last testament on his complex and fascinating life. As a sports story alone it has few parallels: An poor kid whose immigrant French parents suffered a dysfunctional marriage, the young Cousy escaped to the New York City playgrounds, where he became an urban legend known as the Houdini of the Hardwood. The legend exploded nationally in 1950, his first year as a Celtic: he would be an all-star all 13 of his NBA seasons. But even as Cousy's on-court imagination and daring brought new attention to the pro game, the Celtics struggled until Coach Red Auerbach landed Russell in 1956. Cooz and Russ fit beautifully together on the court, and the Celtics dynasty was born. To Boston's white sportswriters it was Cousy's team, not Russell's, and as the civil rights movement took flight, and Russell became more publicly involved in it, there were some ugly repercussions in the community, more hurtful to Russell than Cousy feels he understood at the time. THE LAST PASS situates the Celtics dynasty against the full dramatic canvas of American life in the 50s and 60s. It is an enthralling portrait of the heart of this legendary team that throws open a window onto the wider world at a time of wrenching social change. Ultimately it is a book about the legacy of a life: what matters to us in the end, long after the arena lights have been turned off and we are alone with our memories. On August 22, 2019, Bob Cousy was awarded the Presidential Medal of Freedom</i>

<i>On the night of March 2, 1962, in Hershey, Pennsylvania, right up the street from the chocolate factory, Wilt Chamberlain, a young and striking athlete celebrated as the Big Dipper, scored one hundred points in a game against the New York Knickerbockers. As historic and revolutionary as the achievement was, it remains shrouded in myth. The game was not televised; no New York sportswriters showed up; and a fourteen-year-old local boy ran onto the court when Chamberlain scored his hundredth point, shook his hand, and then ran off with the basketball. In telling the story of this remarkable night, author Gary M. Pomerantz brings to life a lost world of American sports. In 1962, the National Basketball Association, stepchild to the college game, was searching for its identity. Its teams were mostly white, the number of black players limited by an unspoken quota. Games were played in drafty, half-filled arenas, and the players traveled on buses and trains, telling tall tales, playing cards, and sometimes reading Joyce. Into this scene stepped the unprecedented Wilt Chamberlain: strong and quick-witted, voluble and enigmatic, a seven-footer who played with a colossal will and a dancer ’ s grace. That strength, will, grace, and mystery were never more in focus than on March 2, 1962. Pomerantz tracked down Knicks and Philadelphia Warriiors, fans, journalists, team officials, other NBA stars of the era, and basketball historians, conducting more than 250 interviews in all, to recreate in painstaking detail the game that announced the Dipper ’ s greatness. He brings us to Hershey, Pennsylvania, a sweet-seeming model of the gentle, homogeneous small-town America that was fast becoming anachronistic. We see the fans and players, alternately fascinated and confused by Wilt, drawn anxiously into the spectacle. Pomerantz portrays the other legendary figures in this story: the Warriors ’ elegant coach Frank McGuire; the beloved, if rumpled, team owner Eddie Gottlieb; and the irreverent p.a. announcer Dave ” the Zink ” Zinkoff, who handed out free salamis courtside. At the heart of the book is the self-made Chamberlain, a romantic cosmopolitan who owned a nightclub in Harlem and shrugged off segregation with a bebop cool but harbored every slight deep in his psyche. March 2, 1962, presented the awesome sight of Wilt Chamberlain imposing himself on a world that would diminish him. Wilt, 1962 is not only the dramatic story of a singular basketball game but a meditation on small towns, midcentury America, and one of the most intriguing figures in the pantheon of sports heroes. Also available as a Random House AudioBook</i>

<i>Relates the true story of Myrtle Bennett, who murdered her philandering husband over a game of bridge in 1929, and the dramatic courtroom trial that made Ely Culbertson, who provided color commentary of the proceedings, a card game celebrity.</i>

<i>For visitors and recent arrivals, Atlanta Rising, will serve as the essential primer on the ins and outs of the South’s capital city. For natives, the book offers up a rich menu of surprising new facts and fresh insights about their own hometown.</i>

<i>“ One incendiary image ignites the next in this highly combustible procedural...written with a ferocious passion that ’ ll knock the wind out of you. ” —The New York Times Book Review “ Fine Southern storytelling meets hard-boiled crime in a tale that connects an overlooked chapter of history to our own continuing struggles with race today. ” —Charles Frazier, bestselling author of Cold Mountain “ This page-turner reads like the best of James Ellroy. ” —Publishers Weekly, starred review “ In the way the story is told coupled with its heightened racial context, Darktown reminded me of Walter Mosley or a George Pelecanos novel. ” —Milwaukee Journal Sentinel “ High-quality...crime fiction with a nimble sense of history...quick on its feet and vividly drawn. ” —Dallas Morning News “ Some books educate, some books entertain, Thomas Mullen ’ s Darktown is the rare book that does both. ” —Huffington Post Award-winning author Thomas Mullen is a “ wonderful architect of intersecting plotlines and unexpected answers ” (The Washington Post) in this timely and provocative mystery and brilliant exploration of race, law enforcement, and justice in 1940s Atlanta. Responding to orders from on high, the Atlanta Police Department is forced to hire its first black officers, including war veterans Lucius Boggs and Tommy Smith. The newly minted policemen are met with deep hostility by their white peers; they aren ’ t allowed to arrest white suspects, drive squad cars, or set foot in the police headquarters. When a woman who was last seen in a car driven by a white man turns up dead, Boggs and Smith suspect white cops are behind it. Their investigation sets them up against a brutal cop, Dunlow, who has long run the neighborhood as his own, and his partner, Rakestraw, a young progressive who may or may not be willing to make allies across color lines. Among shady moonshiners, duplicitous madams, crooked lawmen, and the constant restrictions of Jim Crow, Boggs and Smith will risk their new jobs, and their lives, while navigating a dangerous world—a world on the cusp of great change. A vivid, smart, intricately plotted crime saga that explores the timely issues of race, law enforcement, and the uneven scales of justice.</i>

<i>Flight attendant Robin Fech told passengers to remove pens and other sharp objects from their pockets. Take off your eyeglasses, she instructed, and pour your drinks into the seat-back pockets. Two rows forward, a Diet Coke in hand, Jennifer Grunbeck reached for the seat-back pocket. Don't you think this will make a mess?, Jean Brucato asked her. I think, Grunbeck said, that they are more concerned with what’s going on outside the plane.</i>

<i>For more than a century, the city of Atlanta has been associated with black achievement in education, business, politics, media, and music, earning it the nickname "the black Mecca." Atlanta's long tradition of black education dates back to Reconstruction, and produced an elite that flourished in spite of Jim Crow, rose to leadership during the civil rights movement, and then took power in the 1970s by building a coalition between white progressives, business interests, and black Atlantans. But as Maurice J. Hobson demonstrates, Atlanta's political leadership—from the election of Maynard Jackson, Atlanta's first black mayor, through the city's hosting of the 1996 Olympic Games—has consistently mishandled the black poor. Drawn from vivid primary sources and unnerving oral histories of working-class city-dwellers and hip-hop artists from Atlanta's underbelly, Hobson argues that Atlanta's political leadership has governed by bargaining with white business interests to the detriment of ordinary black Atlantans. In telling this history through the prism of the black New South and Atlanta politics, policy, and pop culture, Hobson portrays a striking schism between the black political elite and poor city-dwellers, complicating the long-held view of Atlanta as a mecca for black people.</i>
